Chairperson's message

Dear Shareholders,

It gives me immense pleasure to update you with the advancements of the company at the conclusion of the year 2022-23. First and foremost, I want to express my heartfelt appreciation to our shareholders for their unwavering trust and support. Your belief in our vision and commitment to our company's success has been instrumental in our journey thus far.

Our operating environment

The Indian economy showed signs of recovery in FY 2022-23, with increased demand and the manufacturing sector operating at nearly full capacity. Economic reports indicate that the Indian economy has grown positively and substantially in 2022-23, following a contraction during the COVID-19 pandemic in 2020—21. Overall, industrial activities in the domestic market

are thriving, although export business, particularly in Europe, has been fluctuating due to the ongoing war situation. For the fiscal year 2023-24, the Indian economy is estimated to grow at around 6%. However, maintaining a high growth trajectory presents a challenge due to uncertainties arising from the ongoing geopolitical crisis, which has led to a surge in global financial market volatility. It is important to note that the impact of these uncertainties is primarily limited to specific countries. The driving force behind industrial growth is India's domestic demand, and the initiation of new infrastructure projects further boosts this demand. The Indian economy is well positioned to tackle the challenges of 2023-24 and continue its growth.

In FY 2022-23, Remsons Industries Limited focused on cost containment, optimising resource utilisation, and restructuring actions to address the changing demand environment. These efforts allowed us to

provide the best value to our customers and achieve 119% in PAT and 18% revenue during the year 2023 as compared to previous year.

Review of our financial performance

Our consolidated revenue grew by 10% YoY from Rs. 28,645 lakhs in FY 2021-22 to Rs. 31,440 lakhs in FY 2022-23. Additionally, our EBITDA grew to Rs. 2754 lakhs during the year under review from Rs. 2171 lakhs in previous year, registering a growth of 27% YoY. Our PAT registered a growth of 56% YoY from Rs. 536 lakhs in FY 2021-22 to Rs. 837 lakhs in FY 2022-23.

Return on Net Worth in the financial year 2022-23 is 18.60% as compared to 10.25% in the financial year 2021-22. During the financial year under review, return on Net Worth increased by 81.46% as compared to immediately previous financial year due to increase in profits.

Operational highlights

The last year we have had some exceptional success in gaining customer contracts in our India and England Facilities. Automotive parts require extremely critical development methods and even more robust testing and validations. Most of our new programs shall start into full-fledged production from April 2024 onwards.

The last year I mentioned that we have set-up a Greenfield project in Pune to expand our customer base. That has brought us tremendous visibility from our customers. This year we expanded our Engineering Capabilities, a significant step forward in our pursuit of excellence and innovation. It is with great excitement that I share the news of our new engineering centre. This centre represents not only a physical expansion but also a symbol of our commitment to pushing boundaries and shaping the future.

New State of the art Testing & Validation equipment, a first of its kind in India has been set-up for meeting the advanced requirements of the customers.

Our dedication, passion, and hard work have once again been recognized on a grand scale. I am delighted to announce

that we have been awarded the prestigious "Great Place to Work" Award and "Among the Top 100 Best Mid-Size companies to Work for" Award. Also, a "Gold Award" by ACMA (Automotive Companies Manufacturers Association for Employee Engagement

These recognitions are a testament to the extraordinary culture we've built together - one characterized by collaboration, innovation, and mutual respect. It's a reflection of the positive impact each one of our people has on our organization.

Receiving this award is not just an accomplishment; it's a validation of our commitment to creating an environment where everyone can thrive and contribute their best. This recognition belongs to all of us - to the shared goals we pursue, the supportive relationships we foster, and the excellence we collectively embody.

From our customers, we have received the "Gold Award" for Quality from Ashok Leyland. The Best Development Award from Advik and the "Best Supplier" Award from Inteva.

These awards inspire us to continue raising the bar and delivering excellence in all that we do. As we celebrate these achievements, please know that our commitment to customer satisfaction remains stronger than ever. Challenges are our opportunities, and we are dedicated to continually exceeding expectations.

"Business excellence is not a destination; it's a continuous journey of innovation, integrity, and relentless pursuit of improvement."

Sustainability

The auto industry plays a pivotal role in shaping economies and societies, and as we stand on the precipice of unprecedented environmental challenges, it's crucial that we recognize and address our responsibilities in this sector.

We have undertaken various measures to remain sustainable for the environment and consume less of natural resources. We have installed Solar Panels on our plants rooftops thereby harnessing Solar Energy for the

maximum time available. Also, extreme importance has been put on returnable packaging to reduce the waste of one-time packaging. Most of our local dispatches has been converted to Returnable packaging.

We have purchased new Generators and Air Compressors to reduce the Carbon Emissions and more efficient electricity usage. Our New Generators are CPCB4 Compliant thereby having clean emissions.

Strategy

Strategy is not just a word; it's a guiding principle that shapes our decisions, defines our path, and determines our success. In a rapidly evolving world, where change is the only constant, the significance of having a well-thought-out strategy cannot be overstated.

A strategy is not just about setting goals; it's about understanding the 'how' behind those goals. Our Strategy this year lies in entering products that are new and markets that are new. It shall enlarge our portfolio and truly make us a "Preferred Auto Parts Suppliers" in the eyes of our customers.

One of the key aspects of a successful strategy is its ability to anticipate. Anticipation is like a compass that helps us prepare for the unknown. This doesn't mean we can predict everything, but a strategic mindset enables us to be proactive rather than reactive. We have taken the onset of Electric Cars and Two Wheelers very seriously and have already begun supplying to most manufacturers in this sector. We are also adding products in this portfolio.

Collaboration is an essential component of strategy. One of our main strategies in the coming year is to set-up effective and Strategic Technology Partners, Collaborators, Joint Ventures to Leverage technologies and global access.

Remember that a strategy is not set in stone. It's a living, breathing entity that evolves with time and experience. Regular evaluation and measurement of progress against our strategic goals help us stay on track. Just as a pilot adjusts the course of an aircraft to reach its destination, we must make course corrections to ensure our strategy remains aligned with our objectives.

Outlook

Our achievements over the past year are a testament to the hard work and dedication of our talented team. I am humbled and inspired by the passion and determination demonstrated by each member of our organization. Together, we have pushed the boundaries of innovation, brought cutting-edge products to market, and fostered an inclusive and diverse workplace culture.

As we move forward in 2023-24, we remain steadfast in our commitment to sustainability and corporate responsibility. Environmental conservation and social impact are not just buzzwords for us; they are integral to our identity as a responsible corporate citizen. We will continue to invest in eco-friendly practices, support community development initiatives, and uphold ethical standards in everything we do.

Looking ahead, we anticipate exciting opportunities on the horizon. We are poised to explore new markets, expand our product portfolio, and leverage emerging technologies to stay ahead of the competition. Our focus on research and development will remain unwavering, as we aim to be at the forefront of innovation and maintain our status as industry leaders.

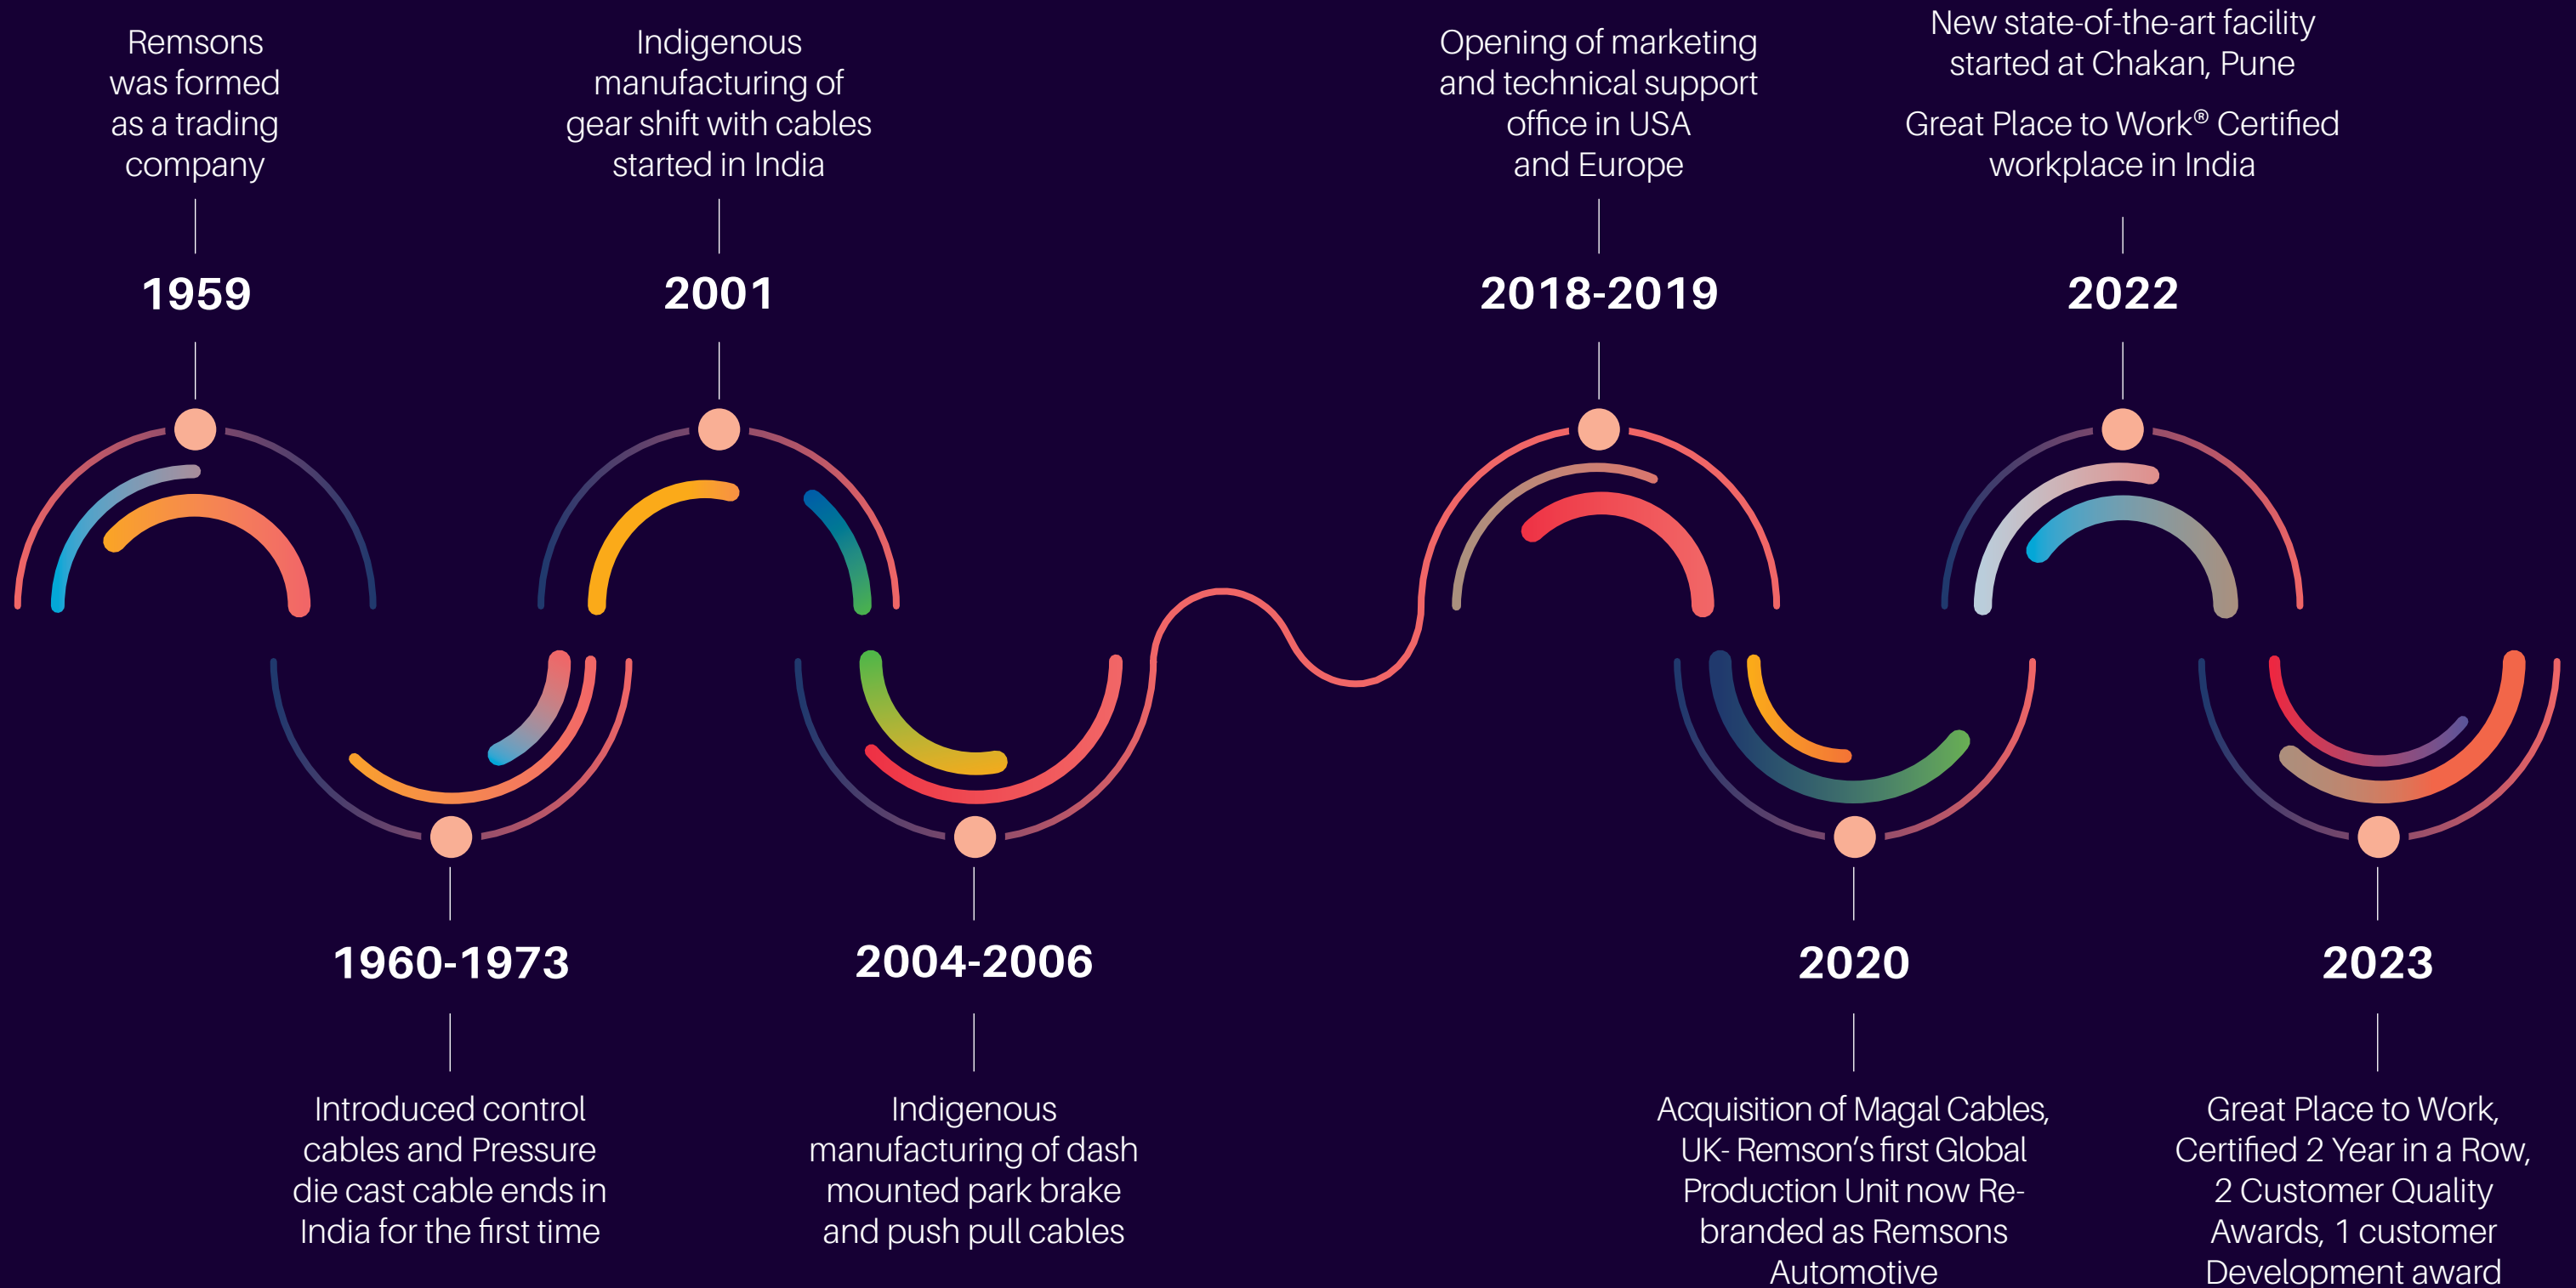

I want to assure you that as the chairman, I am committed to fostering a culture of transparency and open communication. We value your feedback, and we are always striving to improve our operations and governance practices. Our shareholders' interests are at the heart of every decision we make, and we will continue to work tirelessly to enhance shareholder value.

In conclusion, I extend my gratitude once again for your continued support. Together, we have built a strong foundation, and together, we will overcome any challenges that lie ahead. Let us embrace the future with confidence and determination, knowing that the best is yet to come.

Regards,

Krishna Kejriwal
Chairman & Managing Director

Engineering and Design

Our ability to move up the value chain and create new product lines for the evolving needs of the automotive industry is largely fuelled by our engineering and design capabilities along with our innovative spirit.

We have excellent design centres where testing facilities are available to validate alternate materials by way of 'Value Engineering' to address the needs of the customers with best-in-class and cost-effective products. We also use Finite Element Analysis (FEA) to analyse the robustness and performance of components and assemblies. It helps in validation and optimisation of products and manufacturing tools.

Testing and Validation

The final step in our manufacturing process is quality control. To abide by the highest standards of quality, we have static testing facilities for Inner cable testing, conduit testing, stretch-compression test and dynamic testing facilities for endurance tests.

We also have provision for hot and cold chamber tests, where temperatures range from -40 degrees Celsius to +120 degrees Celsius. Cables are tested for 1,000,000 cycles in working condition inside this chamber to validate its strength and durability.

Our extensive offering

We provide innovative, highly integrated automotive solutions that are designed to enhance safety and efficiency of the products. Our diverse product portfolio caters to all segments of the automobile industry.

Cables

Advantages

Cables provide an eco-friendly alternative for carrying passengers above the ground and can be used for new means of transportation in urban areas.

Applications

- Passenger Cars
- Small and Light Commercial Vehicles
- Medium and Heavy Commercial Vehicles
- Rear Engine Buses
- Two Wheelers
- Three Wheelers
- Farm Equipment (Lawn Movers, Tractors)
- Off-Highway Equipment
- Railway, Defence and Aerospace

CBS

Advantages

This product has various advantages. It activates both the front and rear brakes simultaneously. Besides, when the rear brake is pressed, it eases handling of two-wheelers along with providing better control over the vehicle. Apart from optimal breaking performance, it provides shorter braking distance and stability for the safety of the rider.

Applications

- Two Wheelers

Gear Shift Systems

Advantages

We design and manufacture this product based on customer inputs and requirements. From the style to lever, cables and brackets located in the gearbox, we make a complete assembly of the product which help to improve performance, reduce cost and increase the reliability of the product.

Applications

- Passenger cars
- Small and light commercial vehicles
- Medium and heavy commercial vehicles
- Rear engine buses
- Farm equipment (Lawn Movers, Tractors)
- Off-highway equipment
- Railway, defence and aerospace

Our extensive offering (Contd...)

Push pull cables

Advantages

We provide in-house validation for this product and have an integrated design and manufacturing capability specifically for manufacturing push pull cables. It offers quick fix end fittings and offers flexibility in terms of coating materials and designs.

Applications

- Passenger cars
- Small and light commercial vehicles
- Medium and heavy commercial vehicles
- Rear engine buses
- Farm equipment (Lawn Movers, Tractors)
- Off-Highway equipment
- Railway, defence and aerospace
- Marine

Winches

Advantages

We develop and supply innovative winches that help to solve the problem of lifting the under-floor spare wheel. It requires minimal effort to stow or lift heavy wheels with these winches.

Applications

- Passenger cars
- Medium and heavy commercial vehicles
- Rear engine buses

Jack Kit

Advantages

It is a comprehensive product which is available in traditional steel and aluminium with lightweight plastic components.

Applications

- Each type of vehicles

Pedal Box Assembly

Advantages

We design, develop and supply accelerator, brake and clutch pedals, either as individual components or as combined assemblies. This product proves to be very efficient and easy to use.

Applications

- Variety of vehicles from small family hatchbacks to supercars

Parking brake mechanism

Advantages

Mechanical handbrake system includes the Lever (mechanical parts) and cables which are designed to meet customers' mechanical needs and to ensure good braking performance and aesthetic integration with car's interiors.

Applications

- Comprehensive range covering all vehicle classes, including light commercial and 4x4 vehicles
- Covers all parking brake types from low-tech all steel units to high-tech aluminium and plastic solutions.

11. Members having multiple folios in identical names or in joint names in the same order are requested to send the share certificate(s) along with the requisite KYC documents to the Company's Registrar and Share Transfer Agents ("RTA") viz. Link Intime India Private Limited for consolidation of all such shareholding into one folio to facilitate better services. Requests for consolidation of share certificates shall be processed in dematerialized form.
12. Members are requested to forward their all communications to the RTA of the Company and are further requested to always quote their Folio Number / DPID / Client ID in all correspondences with the Company / RTA.
13. Pursuant to the provisions of Section 91 of the Act and Regulation 42 of the Listing Regulations, the Register of Members and the Share Transfer Books of the Company will remain closed from Saturday, 9th September, 2023 to Friday, 15th September, 2023 (both days inclusive) for the purpose of the ensuing 51st AGM and determining the name of members eligible for payment of dividend on Equity Shares, if approved by the members at the ensuing 51st AGM.

14. The dividend on Equity Shares as recommended by the Board of Directors for the financial year ended 31st March, 2023, if approved by the members at the ensuing 51st AGM, will be paid to those members whose names shall appear in the Register of Members as on Friday, 8th September, 2023; and in respect of shares held by them in dematerialized form, the dividend will be paid to members whose names are furnished by the National Securities Depository Limited ("NSDL") and the CDSL as beneficial owners as on that date. In case, the Company is unable to pay the dividend to any member by electronic means due to non-availability of their bank accounts details, the Company will dispatch the dividend warrants / demand drafts by post. However, in case of any disruption in the postal services due to pandemic or any other reasons, the same will be sent upon restoration of normalcy of postal services.
15. Members may note that the Income Tax Act, 1961, the ("IT Act") as amended by the Finance Act, 2020, mandates that dividends paid or distributed by a company after 1st April, 2020 shall be taxable in the hands of members. The Company shall therefore be required to deduct tax at source ("TDS") at the time of making the payment of final dividend. In order to enable us to determine the appropriate TDS rate as applicable, members are requested to submit Form 15G / Form 15H or any other documents as applicable, if any, in accordance with the provisions of the IT Act.
16. For resident shareholders, taxes shall be deducted at source under Section 194 of the IT Act as follows-

Members having valid PAN	10% or as may be notified by the Government of India
Members not having PAN / Invalid PAN	20% or as may be notified by the Government of India

However, no tax will be deducted on the dividend payable to a resident individual if the total dividend to be received by him during the Financial Year 2023-24 does not exceed Rs. 5,000/- and also in cases where members have provided Form 15G / Form 15H (applicable to individuals aged 60 years or more), subject to conditions specified in the IT Act. Registered members may also submit any other document as may be prescribed under the IT Act to claim a lower / Nil withholding tax. PAN is mandatory for members providing Form 15G / 15H or any other document as applicable, if any, in accordance with the provisions of the IT Act.

For non-resident shareholders, taxes are required to be withheld in accordance with the provisions of Section 195 and other applicable provisions of the IT Act, at the rates in force. The withholding tax shall be at the rate of 20% (plus applicable surcharge and cess) or as may be notified by the Government of India on the amount of dividend payable. However, as per Section 90 of the IT Act, non-resident shareholders have

the option to be governed by the provisions of the Double Tax Avoidance Agreement ("DTAA") read with Multilateral Instrument ("MLI") between India and the country of tax residence of the member, if they are more beneficial to them. For this purpose, i.e. to avail the benefits under the DTAA, non-resident shareholders will have to provide the following:

- Copy of the PAN card allotted by the Indian Income Tax authorities duly attested by the member or details as prescribed under Rule 37BC of Income-Tax Rules, 1962;
- Copy of Tax Residency Certificate ("TRC") for the F.Y. 2022-23 obtained from the revenue authorities of the country of tax residence, duly attested by member;
- Self-declaration in Form 10F;
- Self-declaration by the shareholder of having no permanent establishment in India in accordance with the applicable tax treaty;
- Self-declaration of beneficial ownership by the non-resident shareholder and
- Any other documents as prescribed under the IT Act for lower withholding of taxes if applicable, duly attested by member.

In case of Foreign Institutional Investors / Foreign Portfolio Investors, tax will be deducted under Section 196D of the IT Act @ 20% (plus applicable surcharge and cess) or the rate provided in relevant DTAA, read with MLI, whichever is more beneficial, subject to the submission of the above documents.

The aforementioned documents are required to be submitted by sending e-mail at cs@remsons.com before 23.59 hrs. (IST) on 8th September, 2023.

17. SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/ CIR/2022/76 dated 30th May, 2022 provided an option for arbitration as a Dispute Resolution Mechanism for investors. As per this Circular, investors can opt for arbitration with the Stock Exchanges in case of any dispute against the Company or its RTA on delay or default in processing any investor services related requests. In compliance with the said Circular, the Company had sent communication intimating about the Dispute Resolution Mechanism to all the members holding shares in physical form on 10th February, 2023.

18. Pursuant to SEBI Circular No. SEBI/HO/MIRSD/MIRSD-PoD-1/P/CIR/2023/37 dated 16th March, 2023, the SEBI has mandated all listed companies to record PAN, Nomination, Contact details, Bank A/c details and Specimen signature for their corresponding folio numbers of holders of physical securities. The folios wherein any one of the cited documents / details are not available on or after 1st October, 2023 such folios shall be frozen by the RTA.

However, the security holders of such frozen folios shall be eligible:

- to lodge any grievance or avail any service, only after furnishing the complete documents / details as mentioned above;
- to receive any payment including dividend, interest or redemption amount (which would be only through electronic mode) only after they comply with the above stated requirements.

The forms for updation of PAN, KYC, Bank details and Nomination viz., Forms ISR-1, ISR-2, ISR-3, SH-13 and the said SEBI Circular are available on our website at www.remsons.com. In accordance with the aforesaid circular, the Company has sent the letters on 19th May, 2023, to those members holding shares in physical mode whose folios are incomplete with respect to PAN, KYC and / or Nomination details requesting them to update the details so as to avoid freezing of the folios. Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank and Nomination details are requested to contact their respective DPs. Further, members holding shares in physical form are requested to ensure that their PAN is linked to Aadhaar to avoid freezing of their folios. Such frozen folios shall be referred by RTA / Company to the administering authority under the Benami Transactions (Prohibitions) Act, 1988 and / or Prevention of Money Laundering Act, 2002 after 31st December, 2025.

19. Members seeking any information with regard to accounts are requested to write to the Company at least 10 days before the meeting so as to enable the management to keep the information ready.
20. The Schedule I of the Listing Regulations mandates that all listed companies shall use the Reserve Bank of India's approved electronic mode of payment such as National Automated Clearing House ("NACH"), National Electronic Fund Transfer ("NEFT"), Real Time Gross Settlement ("RTGS") for making payments like dividend to the shareholders. The members who have not updated their bank account details and wish to avail such facility in future are requested to update their bank account details by submitting Form ISR-1 and ISR-2 available on Company's website viz. www.remsons.com under "Investor Relation" section.
21. Members holding shares in physical form, in identical order of names, in more than one folio are requested to send to the Company's RTA, the details of such folios together with the share certificates alongwith the requisite KYC documents for consolidating their holdings in one folio. Requests for consolidation of share certificates shall be processed in dematerialized form only.
22. Members holding shares in physical form are requested to notify immediately any change in their address or bank mandates to the Company / RTA quoting their Folio

Number and Bank Account details along with self-attested documentary proofs. Members holding shares in the electronic form may update such details with their respective Depository Participants.

23. As per the provisions of Section 72 of the Act and the aforesaid SEBI Circular, the facility for making nomination is available for the members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. If a member desires to opt out or cancel the earlier nomination and record a fresh nomination, he / she may submit the same in Form ISR-3 or Form SH-14 as the case may be. The said forms can be downloaded from the Company's website available under "Investor Relation" section. Members are requested to submit details to their respective Depository Participants in case the shares are held by them in electronic form and to the RTA of the Company in case the shares are held shares in single name and physical form.
24. Non-Resident Indian members are requested to inform the Company's RTA immediately of any change in their residential status on return to India for permanent settlement, their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code, if the details are not furnished earlier.
25. Members are requested to intimate changes, if any, pertaining to their name, postal address, e-mail address, telephone / mobile numbers, Permanent Account Number ("PAN"), mandates, nominations, power of attorney, bank details such as, name of the bank and branch details, bank account number, MICR code, IFSC code, etc.
 - **For shares held in electronic form:** To their respective Depository Participants only and not to the Company / RTA. Changes intimated to the Depository Participants will then be automatically reflected in the Company's records which will help the Company and its RTA in providing efficient and better services to the members.
 - **For shares held in physical form:** To the Company's RTA in prescribed Form ISR -1 and other forms as prescribed by the SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_RTAMB/P/CIR/2021/655 dated 3rd November, 2021, as per instructions mentioned in the form. The said forms can be downloaded from the Company's website available under "Investor Relation" section.
26. The SEBI vide its notification dated 24th January, 2022 has amended Regulation 40 of the Listing Regulations and has mandated that all requests for transfer of securities including requests for transmission or transposition of securities shall be processed only in dematerialised form. In view of the same and to eliminate all risks associated with physical shares and avail various benefits of dematerialization, members are advised to dematerialize the shares held by them in physical form, so they can transfer their shares in future, if so desire.

Members can contact the Company or the RTA for assistance in this regard. However, members can continue to hold shares in physical form.

27. Members may please note that the SEBI vide its Circular No. SEBI/HO/MIRSD/MIRSD_ RTAMB/P/CIR/2022/8 dated 25th January, 2022 has mandated the listed companies to issue the securities in dematerialized form only while processing the service requests viz. issue of duplicate securities certificate, claim from Unclaimed Suspense Account, renewal / exchange of securities certificate, endorsement, subdivision / splitting of securities certificate, consolidation of securities certificates / folios, transmission and transposition received from the shareholder / claimant. The relevant forms can be downloaded from the Company's website available under "Investor Relation" section. Accordingly, members are requested to make service requests by submitting a duly filled and signed Form ISR-4. It may be noted that any service request can be processed only after the folio is KYC compliant. Upon receipt of service request(s) from shareholder / claimant, the RTA of the Company shall verify and process the said request and after removing objections, if any, shall intimate the shareholder / claimant about its execution / issuance of new certificate as may be applicable. The RTA shall retain the physical Share Certificate with them and shall issue 'Letter of Confirmation' to the shareholder / claimant in lieu of physical share certificate(s). The shareholder / claimant shall lodge a request for dematerialization of shares along with the original Letter of Confirmation received from the RTA within 120 days (One Hundred and Twenty days) of issue of the Letter of Confirmation to his Depository Participant (DP). In case the shareholder / claimant fails to submit the demat request within the aforesaid period, the Company shall credit shares to the Suspense Escrow Demat Account of the Company opened for the said purpose. In order to comply with the aforesaid circular, the Company through its RTA has dispatched letters to the shareholders who are holding shares in physical mode and whose KYC & Nomination details are yet not updated completely, excluding transmission cases, through ordinary post requesting shareholders to update their PAN, KYC & Nomination details.
28. 98.71% of the total equity shares of the Company were held in dematerialize form as on 31st March, 2023. Members desiring to dematerialize / rematerialize their shares may forward their request directly to the Depository Participant with whom they have opened the account.
29. In case the shareholder's e-mail id is already registered with the Company / RTA / Depositories, log in details for e-voting are being sent on the registered e-mail address.
30. The cut-off date for the purpose of determining eligibility of members for attending and e-voting in connection with the 51st AGM and for the payment of final dividend for the financial year ended 31st March, 2023 has been fixed as Friday, 8th September, 2023 ("cut-off date").
31. To support the 'Green Initiative', members who have not yet registered their e-mail addresses are requested to register the same with their DPs in case the shares are held by them in electronic form and with RTA in case the shares are held by them in physical form.

VOTING THROUGH ELECTRONIC MEANS:

- a. In compliance with the provisions of Section 108 of the Act read with Rule 20 of the Companies (Management and Administration) Rules, 2014, Regulation 44 of the Listing Regulations and Secretarial Standard on General Meetings (SS-2) issued by the ICSI, the Company is pleased to provide e-voting facility to its members to cast their votes electronically on the resolutions mentioned in the Notice dated 8th August, 2023 convening the 51st AGM of the Company. PROCEDURE AND INSTRUCTION FOR CDSL E-VOTING SYSTEM - FOR REMOTE E-VOTING AND EVOTING DURING 51ST AGM:

- (i) The remote voting period begins on Tuesday, 12th September, 2023 at 9.00 A.M. (IST) and ends on Thursday, 14th September,

2023 at 5.00 P.M. (IST) (both days inclusive). During this period, shareholders of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Friday, 8th September, 2023 may cast their vote electronically. The remote e-voting module shall be disabled by the CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote during the meeting.
- (iii) Pursuant to the SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 issued under Regulation 44 of the Listing Regulations, listed entities are required to provide remote e-voting facility to its shareholders in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders / retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the Shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts / websites of Depositories / Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- (iv) In terms of SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 9th December, 2020 on e-voting facility provided by listed companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and e-mail Id in their demat accounts in order to access e-voting facility.

EXPLANATORY STATEMENT PURSUANT TO THE PROVISIONS OF SECTION 102 OF THE COMPANIES ACT, 2013 ("ACT") AND REGULATION 36(3) OF THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015 ("LISTING REGULATIONS"):

Item No. 4:

Mrs. Visalakshi Sridhar (DIN: 07325198) was appointed as an Independent Director of the Company to hold office as such for a term of 5 (five) consecutive years w.e.f. 14th November, 2018, accordingly her current tenure as an Independent Director of the Company is up to 13th November, 2023.

According to the provisions of Section 149(10) read with Schedule IV of the Act, an Independent Director can hold office for a term of upto 5 (five) consecutive years on the Board of a Company, however shall be eligible for re-appointment on passing a Special Resolution by the Company for another term of upto 5 (five) consecutive years and disclosure of such re-appointment in the Board's Report is made.

In line with the aforesaid provisions of the Act, Company's policy on Appointment of Directors and in view of knowledge, expertise, experience of over 35 years in Accounts and Financial Services in listed companies, continued valuable guidance to the management and strong Board performance of Mrs. Visalakshi Sridhar and based on the recommendation of the Nomination and Remuneration Committee, the Board has proposed re-appointment of Mrs. Visalakshi Sridhar as an Independent Director of the Company for a second term of 5 (five) consecutive years with effect from 14th November, 2023, who shall not be liable to retire by rotation. The Board considers that her continued association would be of immense benefit to the Company, and it is desirable to continue availing expertise of Mrs. Visalakshi Sridhar as an Independent Director.

The Company has also received all statutory disclosures and declarations from Mrs. Visalakshi Sridhar including her consent to continue to act as an Independent Director of the Company.

In the opinion of the Board, Mrs. Visalakshi Sridhar fulfills the conditions as set out in Section 149(6) read with Schedule IV of the Act and Regulation 16(1)(b) of the Listing Regulations for being eligible for reappointment as an Independent Director; and she is independent of the management of the Company. Further, Mrs. Visalakshi Sridhar is not disqualified from being appointed as a director in terms of Section 164 of the Act. Mrs. Visalakshi Sridhar does not hold any shares in the Company.

Accordingly, the Board recommends the Special Resolution as set out at item no. 4 of the Notice of the 51st Annual General Meeting ("AGM") of the Company for the approval of the members of the Company.

The copy of the draft letter for reappointment of Mrs. Visalakshi Sridhar as an Independent Director setting out the terms and conditions will be available for inspection by the members at the Registered Office of the Company between 11.00 A.M. and 1.00 P.M. on any working day of the Company, till the date of 51st AGM.

Brief resume of the director proposed to be reappointed and other relevant details relating to her re-appointment, as stipulated under Regulation 36(3) of the Listing Regulations and Secretarial

Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India are given in **Annexure - 1** to the Notice of 51st AGM of the Company.

Except Mrs. Visalakshi Sridhar, being appointee, none of the other directors and Key Managerial Personnel of your Company or their relatives are concerned or interested, financial or otherwise, in the said resolution.

Item No. 5:

Mr. Anil Kumar Agrawal is Non-Executive Non-Independent Director of the Company.

Mr. Anil Kumar Agrawal, aged 47 years, is a member of the Institute of Chartered Accountants of India and did his Masters in Commerce from University of Rajasthan, Jaipur. Mr. Anil Kumar Agrawal served the Company as an Executive Director during the period from 11th August, 2012 to 31st July, 2019. He was re-designated as Non-Executive Director of the Company with effect from 1st August, 2019. He has experience over 25 years in Accounts & Financial, Banking, Taxation and General Administration.

The Board of Directors of the Company, on the recommendation of the Nomination and Remuneration Committee, recommends appointment of Mr. Anil Kumar Agrawal (DIN: 00513805 and ID Registration No.: IDDB-DI-202307-050280), Non-Executive Director of the Company as an Independent Director of the Company for a period of 5 (five) consecutive years with effect from 16th September, 2023 in terms of the provisions of Sections 149, 150 and 152 of the Act.

The Company has received the declaration from Mr. Anil Kumar Agrawal to the effect that he meets the criteria of independence as provided under Section 149(6) of the Act and Regulation 16(1)(b) of the Listing Regulations.

In the opinion of the Board, he fulfills the conditions as set out under Section 149(6) of the Act read with Schedule IV and Regulation 16(1)(b) of the Listing Regulations for being eligible for appointment as an Independent Director of the Company and is independent of the management of the Company. Further, Mr. Anil Kumar Agrawal is not disqualified from being appointed as a director in terms of Section 164 of the Act and the Company has received from him all statutory disclosures / declarations including his consent to act as an Independent Director of the Company.

The Board, based on the recommendation of the Nomination and Remuneration Committee, considers that given his skills, integrity, expertise and experience, the association of Mr. Anil Kumar Agrawal as an Independent Director would be beneficial to the Company, and it is desirable to avail his services as an Independent Director of the Company. The Board considers that his continued association would be of immense benefit to the Company and it is desirable to avail services of Mr. Anil Kumar Agrawal as an Independent Director. Mr. Anil Kumar Agrawal is holding 10 shares in the Company.

Accordingly, the Board recommends the Special Resolution as set out at item no. 5 of the Notice of 51st AGM of the Company for the approval of the members of the Company.

The copy of draft letter for appointment of Mr. Anil Kumar Agrawal as an Independent Director setting out the terms and conditions will be available for inspection by members at the Registered Office of the Company between 11.00 A.M. and 1.00 P.M. on any working day of the Company, till the date of 51st AGM.

Brief resume of Mr. Anil Kumar Agrawal and other relevant details relating to his appointment as required under the Act, Listing Regulations and Secretarial Standard on General Meetings (SS-2) issued by the Institute of Company Secretaries of India are provided in **Annexure - 1** to the Notice of 51st AGM of the Company.

Except Mr. Anil Kumar Agrawal, being appointee, none of the other directors and Key Managerial Personnel of your Company or their relatives are concerned or interested, financial or otherwise, in the said resolution.

Item No. 9:

Stock options have long been recognized internationally as an effective instrument to align the interest of the employees with those of the Company and its shareholders, providing an opportunity to the employees to share the growth of the Company, and to create long-term wealth in the hands of the employees. Your Company believes that equity-based compensation plans are effective tools to attract and reward the talents working exclusively with the Company. With the objective to motivate key employees for their contribution to the corporate growth, to create an employee ownership culture and also to retain the best talent in the competitive environment and to encourage them in aligning individual goals with that of the Company's objectives, your Company intends to implement an Employee Stock Option Scheme namely **"Remsons Employees' Stock Option Scheme 2023" ("ESOS 2023")**

As per the provisions of Regulation 6 of the Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 ("SBEB Regulations"), the Company seeks your approval for:

- (i) Implementation of the ESOS 2023; and
- (ii) Grant of Options to the eligible employees of the Company as per the terms of the ESOS 2023.

The disclosures / salient features of ESOS 2023 pursuant to Regulation 6(2) of the SBEB Regulations are as under:

A. Brief description of ESOS 2023:

The Company proposes to introduce the ESOS 2023 primarily with a view to:

- (i) reward loyalty and performance of the employees;
- (ii) provide wealth creation opportunities to the employees;
- (iii) introduce a long-term incentive tool to attract, retain and motivate talent which shall contribute to the growth and profitability of the Company; and
- (iv) enable the employees to get a share in value they create for the Company in the future.

The ESOS 2023 contemplates grant of Options to the eligible employees as may be determined in due compliance of the SBEB Regulations. After vesting, the eligible employees earn a right (but not obligation) to exercise the vested Options within the predefined exercise period.

The Compensation Committee shall administer the ESOS 2023. All questions of interpretation of the ESOS 2023 shall be determined by the Compensation Committee and such determination shall be final and binding upon all persons having an interest in the ESOS 2023. The Company shall issue equity shares upon exercise, subject to payment of exercise price and satisfaction of consequential tax obligations.

The liability of paying taxes, if any, in respect of the Options granted pursuant to the ESOS 2023 and the equity shares issued pursuant to exercise of Options shall be on the Option grantee and / or the Company. In cases where the Company decides to pay on behalf of the Option grantee it shall be in accordance with the provisions of Income Tax Act, 1961 read with rules issued thereunder and / or Income Tax Laws of respective countries as applicable to eligible Employees of the Company working abroad, if any.

The Company shall have right to deduct from the Option grantee's salary or recover any of the Option grantee's tax obligations arising in connection with the transactions in respect of Options or Shares acquired upon the exercise thereof and shall have no obligation to deliver shares until the Company's tax deduction obligations, if any, have been satisfied by the option grantee in full.

B. Total number of Options to be offered and granted:

The maximum number of Options that can be granted under the ESOS 2023 shall not exceed 50,000 (Fifty Thousand) which upon exercise shall be convertible into not more than 50,000 (Fifty Thousand) Equity Shares ("Shares") of the Company of Rs. 10/- (Rupees Ten only) each fully paid up.

Further, the SBEB Regulations require that in case of any corporate action(s) such as rights issue, bonus issue, stock split or consolidation of shares, merger or other restructuring, a fair and reasonable adjustment needs to be made to the Options granted. In this regard, the Committee shall adjust the number and to the extent allow the price of the Options in such a manner that the total value of the Options remains the same after any such corporate action. Accordingly, if any additional Options are to be issued by the Company to the Option grantees for making such fair and reasonable adjustment, the ceiling of Options and shares aforesaid shall be deemed to be modified accordingly. The Options which do not vest, would be available for being re-granted at a future date. The Board / Committee can re-grant such Options as per the provisions of the ESOS 2023, within the overall limit as stated above, subject to the SBEB Regulations.

C. Identification of classes of employees entitled to participate and be beneficiaries in ESOS 2023:

The class of employees eligible for participating in the ESOS 2023 shall be determined on the basis of grade of the employees, role / designation of the employees, length of their service with the Company, their role in and contribution to overall performance of the Company, merits of the employees, past performance record, future potential of the employees and / or such other criteria that may be determined by the Board or Committee at its sole discretion from time to time.

Following classes of employees are entitled to participate in ESOS 2023:

- (i) an employee as designated by the Company, who is exclusively working for the Company in India or outside India; or
- (ii) a director of the Company, whether a whole-time director or not, including a non-executive director, who is not a promoter or member of the promoter group but excluding an independent director; and
- (iii) an employee as defined in sub-clauses (i) and (ii), of the Company, but does not include:
 - an employee / director who is a promoter or a person belonging to the promoter group; and
 - a director who either by himself / herself or through his / her relative(s) or through any body(ies) corporate, directly or indirectly, holds more than 10% of the outstanding equity shares of the Company.

As per the eligibility criteria given above, the Compensation Committee shall identify the eligible employees for grant of Options under the ESOS 2023.

Nothing in the ESOS 2023 or in any Option granted pursuant to the ESOS 2023 shall confer on any employee or Option grantee any right to continue in the employment of the Company or interfere in any way with the right of the Company to terminate the employee's / Option grantee's employment at any time.

D. Requirement of vesting and period of vesting:

Unless where determined otherwise by Compensation Committee, there shall be following categories of grants which would be applicable to eligible employees as decided by the Compensation Committee, as the case may be, and which shall be final and binding on such eligible employee.

Grant shall consist of 50,000 Options and shall have both performance based and time based vesting component. 50% of the Options to be vested from the date of grant as per the vesting schedule provided herein and 50% to be vested upon fulfilling the performance conditions as shall be laid down by the Compensation Committee and mentioned in the respective grant letter :

(a) Time based vesting:

% of Options granted	No. of years from the date of grant of Options	% of Options Vested (out of 50%)
50% of total grant	1	30% of Options granted
	2	30% of Options granted
	3	40% of Options granted

(b) Performance based vesting:

% of Options granted	No. of years from the date of grant of Options	% of Options Vested (out of 50%)
50% of total grant	1	30% of Options granted upon achieving the performance criteria
	2	30% of Options granted upon achieving the performance criteria
	3	40% of Options granted upon achieving the performance criteria

- In case of death; permanent disability; retirement or superannuation; resignation or termination of employment for reasons other than misconduct and transfer or deputation of an eligible employee of an associate company, the vesting of Option will differ from that specified above and will be undertaken as per the provisions of the ESOS 2023.
- Options granted would vest essentially on the basis of continuation of employment / service as on relevant date of vesting as a pre-requisite condition, provided that the eligible Employee is not under any notice of resignation or termination. Besides continuity of employment / service, the Committee shall have the power to determine and provide vesting conditions for the vesting of Options. In the event that an eligible Employee is transferred or deputed or resigns to join any subsidiary prior to vesting, the vesting shall continue as per original vesting schedule / conditions.

E. Maximum period within which the Options shall be vested

The Options Granted under the ESOS 2023 shall not vest earlier than minimum vesting period of 1 (one) year and not later than maximum vesting period of 3 (three) years from the respective date of grant.

F. Exercise price

Exercise price shall be determined by the Compensation Committee at the time of grant of Options, provided however the exercise price per Option shall not be less than the par / face value of the shares of the Company i.e. Rs. 10 (Rupees Ten only) per Share and shall not exceed the price at which the Equity Shares of the Company's market price (higher price on BSE or NSE) at the time of grant of Options.

G. Exercise period and the process of exercise

- The exercise period of Options shall be 2 (two) years from the date of their respective vesting. Failure to comply within this time period shall result in lapsing of vested Options in the hands of the option grantee.
- The ESOS 2023 envisages shorter exercise periods of the vested options, than that specified above in case of resignation or termination of employment for reasons other than misconduct. In case of termination due to misconduct, there shall not be any exercise period as all the vested Options shall lapse forthwith.
- Once the Options are vested, whether at once or at various points of time as per the vesting schedule, the option grantee may, at any time during the exercise period submit an application with the Compensation Committee requesting to exercise his / her vested Options and pay the exercise price.

H. Appraisal process for determining the eligibility of employees for the ESOS 2023

The appraisal process for determining the eligibility of the employee will be determined by the Compensation Committee based on criteria such as the designation / grade of employee, length of service period, performance record, merit of the employee, future potential contribution towards strategic growth by the employee, continuation of employment service and / or any criteria that may be determined by the Committee from time to time.

I. Maximum number of Options to be offered and issued per employee and in aggregate under ESOS 2023, if any

Under the ESOS 2023, the maximum number of Options granted per employee shall not exceed 5,000 Options. The maximum number of Options, in aggregate, that may be granted pursuant to ESOS 2023 shall not exceed 50,000 Options.

J. Maximum quantum of benefits to be provided per employee under ESOS 2023

The maximum quantum of benefits underlying the options issued to an eligible employee shall be equal to difference between the option exercise price and the market price of the shares on the exercise date.

K. Whether the scheme is to be implemented and administered directly by the Company or through a trust

The Scheme shall be implemented and administered directly by the Company in accordance with the applicable provisions of the Act and the SBEB Regulations.

L. Whether the Scheme involves new issue of shares by the Company or secondary acquisition by the trust or both

The Scheme envisages issue of fresh / new equity shares upon exercise of vested Options. There will not be any secondary acquisition of shares by the Company.

M. The amount of loan to be provided for implementation of the ESOS 2023 by the Company to the trust, its tenure, utilization, repayment terms, etc.

This is currently not contemplated under the present ESOS 2023, as the ESOS 2023 shall be implemented and administered directly by the Company.

N. Maximum percentage of secondary acquisition (subject to limits specified under the SBEB Regulations) that can be made by the trust for the purposes of the scheme

Not Applicable.

O. A statement to the effect that the Company shall conform to the accounting policies specified in Regulation 15

It is hereby confirmed and undertaken that the Company shall comply with the disclosure and accounting policies prescribed in Regulation 15 of the SBEB Regulations and by any other authority, as may be applicable from time to time.

P. Method which the Company shall use to value its options

The Company shall adopt Fair Value Method for valuation of Options under ESOS 2023 as prescribed under applicable Indian Accounting Standards. The Company may choose to adopt a different methodology, as may be required, as per the applicable Indian Accounting Standards.

Q. Declaration:

In case the Company opts for expensing of share based employee benefits using the intrinsic value, the difference between the employee compensation cost so computed and the employee compensation cost that shall have been recognized if it had used the fair value, shall be disclosed in the Directors' Report and the impact of this difference on profits and on earnings per share ("EPS") of the Company shall also be disclosed in the Directors' Report.

R. Period of lock-in:

The Shares issued pursuant to exercise of Options shall not be subject to any lock-in period restriction.

S. Terms & conditions for buyback, if any, of specified securities covered under these regulations.

Subject to the provisions of the then prevailing applicable laws, the Compensation Committee shall determine the procedure for buy-back of Options granted under the ESOS 2023 if to be undertaken at any time by the Company, and the applicable terms and conditions thereof.

As per the provisions of Section 62(1)(b) of the Act read with Rule 12 of the Companies (Share Capital and Debentures) Rules, 2014, SBEB Regulations, Listing Regulations and enabling provisions of the Memorandum and Articles of Association of the Company, consent of the members of the Company is being sought by way of a Special resolution for approval and implementation of ESOS 2023.

The Board of Directors of the Company has designated the Nomination and Remuneration Committee of the Company as Compensation Committee for implementation and administration of ESOS 2023.

A draft copy of ESOS 2023 will be available for inspection by the members at the Registered Office of the Company on any working day of the Company between 11.00 A.M. and 1:00 P.M. on any working day of the Company till the 51st AGM.

The Options to be granted under the ESOS 2023 shall not be treated as an offer or invitation made to the public for subscription of securities of the Company. The ESOS 2023 conforms to the SBEB Regulations.

The Board of Directors recommends the Special Resolution as set out at item no. 9 of the notice for the approval of members of the Company.

None of the directors, Key Managerial Personnel of the Company including their relatives are concerned or interested in the resolutions, except to the extent of their entitlements determined lawfully, if any, under ESOS 2023.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2023

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Remsons Industries Limited

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Remsons Industries Limited** (hereinafter called 'the Company'). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluation of the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31st March, 2023 ('Audit period') complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed, and other records maintained by the Company for the financial year ended 31st March, 2023 according to the provisions of:

- a) The Companies Act, 2013 ('the Act') and the rules made thereunder;
- b) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- c) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- d) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings (not applicable to the Company during the Audit Period);
- e) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):
 - (i) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (ii) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (iii) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2018

(not applicable to the Company during the Audit Period);

- (iv) The Securities and Exchange Board of India (Share Based Employee Benefits and Sweat Equity) Regulations, 2021 (not applicable to the Company during the Audit Period);
- (v) The Securities and Exchange Board of India (Issue and Listing of Non-Convertible Securities) Regulations, 2021 (not applicable to the Company during the Audit Period);
- (vi) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (vii) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2021 (not applicable to the Company during the Audit Period);
- (viii) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 2018 (not applicable to the Company during the Audit Period); and
- (ix) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

- f) As informed and certified by the management of the Company, there are no laws that are specifically applicable to the business activities carried on by the Company based on its section / industry.

I have also examined compliance with the applicable clauses of the Secretarial Standards (SS - 1 and SS - 2) issued by The Institute of Company Secretaries of India.

During the Audit period, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards etc. mentioned above, *except as stated below* :

1. *Delay in filing of some e-forms with Registrar of Companies (RoC), Mumbai, Maharashtra; and*
2. *As required under Regulation 17(1)(b) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations"), the Board of Directors did not have at least half of the independent directors as its members during the period from 1st October, 2021 to 11th May, 2022.*

I further report that

Subject to our observation as stated above regarding not having at least half of independent directors on the Board as required under Regulation 17(1)(b) of the Listing Regulations, the Board of Directors of the Company is constituted with the combination

of Executive, Non-Executive and Independent Directors. The changes in the composition of the Board of Directors that took place during the Audit period were carried out in compliance with the provisions of the Act.

Adequate notices were given to all directors and members to schedule the Board and Committee meetings respectively; agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meetings.

All decisions at Board and Committee meetings were taken unanimously as recorded in the minutes of the respective meetings.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the Audit period there was no specific event or action in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. having a major bearing on the Company's affairs.

Management Discussion and Analysis Report

Global economy

The macroeconomic challenges, such as continued geopolitical conflicts, soaring inflation, the energy crisis, the resurgence of COVID in China, supply chain disruptions and currency fluctuations, have had a substantial impact on the global economy. Global growth is likely to decline to 3.0% in 2023 compared to 3.5% in 2022. Global inflation is expected to fall from 8.7% in 2022 to 6.8% in 2023 and 5.2% in 2024.¹

According to the IMF, India and China are predicted to contribute 50% of the global growth in 23, while the rest of the Asian region will contribute 25%. Pent-up demand following the pandemic has led to an increase in investment by businesses. A recovery in formerly limited sectors, including the automotive industry, was made possible by the removal of supply-side constraints and lowering transportation costs. Favourable monetary policies, the conclusion of Russia's invasion of Ukraine and the elimination of supply chain restrictions brought on by the pandemic are all prerequisites for the recovery of the global economy.

Indian economy

During the year the Indian economy has expanded significantly. With the nation celebrating its 75th year of independence, it surpassed the United Kingdom to become the fifth-largest economy in the world in terms of the US dollar. According to the NSO the Indian economy is predicted to grow by 7.2% during the 2023.³ The rapid tightening of monetary policies in advanced economies has caused the depreciation of the Indian rupee compared to the US dollar. The World Bank predicts that India will rank among the top seven emerging market and developing economies (EMDEs) in 2023.³ India's economy has outperformed other developing market economies as far as facing external headwinds is concerned, on the back of its robust economic fundamentals. However, it is projected that monetary and fiscal tightening will be less pronounced in India than in the rest of the South Asian region over the forecast horizon. Since the onset of the pandemic, labour difficulties have also been somewhat addressed. Government initiatives, such as the Mahatma Gandhi National Rural Employment Guarantee Act (MGNREGA) have strengthened the potential of rural areas to provide employment.

Business overview

Amid the grim global outlook, India's automobile sector continues to grow. The domestic automotive sector generates more than USD 222 billion, accounting for 4.7% of total exports and 7.1% of GDP, contributing 35% of the nation's manufacturing GDP. The country is well on its way to having the third largest automotive industry in the world, by 2030.⁴

In 2022-23, the Company's standalone net profit witnessed a remarkable surge of 118%, while its consolidated net profit displayed a notable growth of 56% when compared to 2021-22. This positive performance was accompanied by a substantial increase of 18% in standalone revenue and 9% in consolidated revenue on a year-on-year basis for 2022-23.

The Company exports to over 19 countries by focusing on expanding customer outreach across the world, while also building enduring relationships with global OEMs and collaborating with them.

India's auto industry outlook

The automobile industry is expected to play a pivotal role in accelerating the transition to green energy. The domestic electric vehicle (EV) market is projected to expand between 2022 and 2030 at a compound annual growth rate (CAGR) of 49%, achieving annual sales of 1 crore units. By 2036, the EV industry will create 5 crore direct and indirect jobs. About 80% of the size of India's retail vehicle finance industry, which is currently worth USD 60 billion, has been estimated as the market size for financing EVs in 2030, which is estimated to be USD 50 billion⁵.

The Government has implemented several measures to promote and support the development of the automobile industry. The major growth drivers are rising disposable incomes, a wide range of credit and financing alternatives and population growth. Due to the expansion of the public transportation sector and the rising demand for commercial vehicles, India's automotive industry has a significant potential for future growth.⁶ Also, the automobile sector received FDI inflows of USD 33.53 billion.⁷

India exports a large number of automobiles and in the foreseeable future, exports are expected to rise rapidly. The Government's emphasis on infrastructure projects, an upsurge in construction activity and real estate as well as robust demand from the auto industry will contribute to future growth. Nonetheless, the global downturn may imply that export demand remains subdued. The automotive industry thus faces significant challenges despite the upbeat outlook. A slowdown in global demand and rising borrowing costs are challenges in the near term.

Performance of the auto industry during 2022-2023

Production

During the period spanning from April 2022 to March 2023, the automotive industry in India witnessed a cumulative production of 2,59,31,867 vehicles, comprising various categories such as passenger vehicles, commercial vehicles, three-wheelers, two-wheelers, and quadricycles. This figure marks a notable increase when contrasted with the production of 2,30,40,066 units during the corresponding timeframe of April 2021 to March 2022.

Domestic sales

In 2022-2023, there was a noteworthy growth in total passenger car sales, which rose from 30,69,523 to 38,90,114 units. This upward trend was also observed in the sales of individual segments, with passenger cars, utility vehicles, and vans witnessing an increase from 14,67,039 to 17,47,376 units, 14,89,219 to 20,03,718 units, and 1,13,265 to 1,39,020 units, respectively, as compared to the previous fiscal year 2021-2022.

In parallel, the overall sales of commercial vehicles displayed a significant rise, surging from 7,16,566 to 9,62,468 units. This growth was particularly evident in the sales of Medium and Heavy Commercial Vehicles, which increased from 2,40,577 to 3,59,003 units, and Light Commercial Vehicles, which increased from 4,75,989 to 6,03,465 units, during 2022-2023 compared to 2021-2022.

Furthermore, three-wheeler sales experienced substantial growth, escalating from 2,61,385 to 4,88,768 units in 2022-2023, in comparison to the preceding year. Additionally, two-wheeler sales also witnessed a noteworthy surge, rising from 1,35,70,008 to 1,58,62,087 units in 2022-2023, as compared to 2021-2022.

A. Industry structure and developments

The automobile industry has a major effect on both macroeconomic growth and technological innovation. In India's automobile market, two-wheelers and passenger automobiles accounted for 76% and 17.4% of the market share, respectively. India accounts for 40% of the total USD 31 billion in global engineering and R&D spending. The automotive industry accounts for 8% of the country's R&D expenditure.⁹ India is the world's largest tractor manufacturer, second-largest bus maker and third-largest heavy truck producer. The sector's growth is driven by the growing interest of firms in investigating rural markets. The demand for commercial cars is increasing as the logistics and passenger transportation sectors expand. Future market expansion is anticipated to be bolstered by innovations, such as the electrification of vehicles, notably three-wheelers and small passenger cars.

B. Opportunities and threats

Opportunities

Technological advancement

The auto industry in India leverages technology to enhance productivity and profitability across all processes and platforms, from production and sales to distribution. For the auto industry, digital integrations increase operational efficiency. To derive value from data, the industry must accelerate the digital transformation process while

maintaining a sharp focus on integrated systems solutions, data management and analytics. The market is evolving as a result of the development of digital distribution channels and the entrance of well-known global corporations.

Strengthened R&D capabilities

The automotive industry seeks to enhance its R&D capabilities to increase the number of innovative and competitive automotive-specific products. As most auto manufacturers invest in R&D centres in India, the country is evolving into a global R&D hub for the automotive and auto component sectors.

Implementation of government initiatives

The Production Linked Incentive (PLI) Scheme for Automobile and Auto Components aims to encourage domestic production of Advanced Automotive Technology products and draw investments into the automotive manufacturing value chain. From 2019 to 2024, there is a budget allocation of INR 10,000 crore. It is intended for the manufacturing of 55,000 cars, 7090 buses, 0.5 million three-wheelers, 1 million two-wheelers and 7.1 lakh electric vehicles (EVs). 7210 electric buses have been approved for deployment during December 2022, as have 2,877 charging stations in 68 cities and 1,576 charging stations on highways and motorways.

Enhanced focus on OEM

The OEM components are sold to an automobile manufacturer. These OEM parts add value to the original product when they are incorporated into a vehicle. OEM manufacturers have a strong desire to make a mark in the OEM industry, owing to the tough competition in this sector.

Increasing investment in the EV market

EVs are offering a lot of prospects and assisting the nation in quickly setting new sales records. The introduction of new models will modify the segment's appearance. The advancements in battery technology and the availability of leasing options will greatly increase the segment's potential for innovation. The shift to EVs is mostly brought about by evolving physical infrastructure and supply chains, which encourage EV adoption in India.

Threats

Disruptions in the supply chain

Higher demand and insufficient supply in the markets resulted in a nightmare for suppliers and original equipment manufacturers (OEMs). Some of the other headwinds such as microchip shortages, logistics bottlenecks and energy price hikes also contributed to supply chain constraints. As supply chains are disrupted, material and component prices continue to rise.

⁸<https://www.siam.in/statistics.aspx?mpgid=8&pgidtrail=9>

⁹<https://www.investindia.gov.in/sector/automobile>

Highly competitive market

The automobile industry is pitching in more investment, which is leading to intense competition in the market. The dominance of the local players creates fierce competition, including the entry of foreign firms into the domestic market.

Economic slowdown

The global auto sector has been adversely impacted by the slowdown in the world economy. Financial instability, job losses and liquidity crisis will have a detrimental effect on consumer preferences, causing a shift in demand toward less expensive and smaller automobiles as well as a greater emphasis on energy efficiency.

Fuel price volatility

From the consumer’s perspective, the cost of fuel is always a major consideration. It plays a significant role in the market, especially in developing nations where vehicles are mostly used for daily transportation. Moreover, various government regulations involving alternative fuels may have an impact on inventories.

Rising fixed costs and R&D spending

Due to an exceedingly competitive market, firms are attempting to increase their R&D spending. By building facilities, they are striving to gain a foothold in the market. However, it will be difficult to earn profits from this investment. The Return on Investment must be capitalised but given the unpredictability of the world and the future, it could pose a threat.

C. Segment-wise or product-wise performance

The Company is engaged in manufacturing and trading of automotive cables and components. The Company has identified a single business segment and that being manufacturing and selling of automotive and other components. The internal reporting and performance of the Group is assessed by the top management as single segment.

D. Outlook

The Indian market is again expected to be an exception to the gloomy global outlook with over 6% growth in GDP. The 33% growth in Governmental budget allocation to infrastructure augurs well for commercial vehicle demand. The highly disciplined budget promises a deficit of only 2-2.5% and thus frees up the RBI to deal with monetary policy without having the headache of mopping up fiscal indiscipline that other central banker have had to.

While Governmental schemes of production linked incentives and subsidies to select areas of the economy remain a concern in terms of ensuring a level playing field, the overall automotive outlook is positive with sales growth of 10% industry wide expected.

E. Risk and concerns

Soaring prices of essential raw materials and fuels pose a serious concern. It is not possible to alter the input raw materials in the Company's goods without a great deal of effort and testing. Due to Remsons' in-house material knowledge department, the Company has a greater ability to recommend alternative materials and illustrate trade-offs under real-world driving circumstances and duty cycles.

Exports have declined as a result of supply chain disruptions caused by geopolitical conflicts. The energy crisis and rising fuel prices have been major sources of concern. However, Remsons Industries Ltd. is expanding its global presence while entering new geographies, increasing exports and mitigating the associated risks.

Quality and quality management systems

The Company concentrates on strategies to sustain quality management systems through comprehensive employee involvement at all levels, raising customer satisfaction in domestic and international markets. With the esteemed suppliers of the Company, there will be a long-term collaboration and steps will be taken to reduce waste through systematic control. Implementation of Cloud based Quality Management Systems shall commence in the coming year. In the past year, the Company has been able to maintain extremely good quality ratings at all its customers thereby receiving multiple awards from customers and increasing wallet share.

F. Internal controls systems and their adequacy

The Company remains committed to upholding a comprehensive system of internal control, which includes implementing sufficient monitoring procedures. The internal auditors diligently oversee operational control at multiple Company locations on a consistent basis. In the event of any irregularities or significant matters, they promptly report such issues to the audit committee of the board and the Managing Director of the Company. Subsequently, appropriate measures are taken to ensure compliance with the established system.

13.11 Share Transfer System:

In terms of Regulation 40(1) of the Listing Regulations, as amended from time to time, the securities of the Company can be transferred only in dematerialized form with effect from 1st April, 2019, except in case of transmission or transposition of securities. Further, the SEBI had fixed 31st March, 2021 as the cut-off date for re-lodgment of transfer deeds and the shares that are re-lodged for transfer shall be issued only in Demat mode. Therefore, the members holding shares in physical form are requested to consider converting their holdings into dematerialized form. Transfers of equity shares in electronic form are affected through the depositories with no involvement of the Company.

Further, the SEBI vide its Circular No. SEBI/HO/MIRSD/ MIRSD_RTAMB/P/CIR/2022/8 dated 25th January, 2022 as an on-going measure to enhance ease of dealing in securities markets by investors, mandated the issue of the securities in dematerialized form only while processing various service request(s) such as issue of duplicate share certificate(s), claim from Unclaimed Suspense Account, renewal / exchange of securities certificate, endorsement, sub-division / splitting of securities certificate, consolidation of securities certificates / folios, transmission, transposition. Upon receipt of any service request(s) from the securities holder / claimant, the Registrar and Share Transfer Agent of the Company ("RTA") viz. Link Intime India Private Limited shall verify and process the said request(s) and thereafter issue a 'Letter of Confirmation' in lieu of physical securities certificate(s) to the securities holder / claimant, within 30 days of the receipt of such request, if documents are found in order.

In case of any queries or issue(s) regarding process of the service request(s), securities holder / claimant can contact RTA (Contact Number: (022)-4918 6000 / 270) or can write an e-mail at rnt.helpdesk@linkintime.co.in

13.13 Dematerialization of Shares and liquidity:

The process of conversion of shares from physical form into electronic form is known as dematerialization. For dematerializing the shares, the shareholders should open a Demat account with a Depository Participant ("DP"). The shareholder is required to fill in a Demat Request Form and submit the same along with the original share certificates to his / her DP. The DP will allocate a Demat Request Number and shall forward the request physically and electronically through NSDL / CDSL to Registrar and Share Transfer Agent. On receipt of the demat requests, both physically and electronically, and after verification, the shares are dematerialised and an electronic credit of the shares is given in the account of the shareholder.

As on 31st March, 2023, about 98.71% of the Company's Equity Shares were held in dematerialized form.

13.14 Convertible Instruments:

The Company has not issued any Global Depository Receipts (GDRs) / American Depository Receipts (ADRs) / warrants or any convertible instrument, which is likely to have impact on the Company's Equity.

13.15 Commodity Price risk or foreign exchange risk and hedging activities:

The Company is exposed to the risk of price fluctuations while exporting the Automotive Cables, which are proactively managed. The Company has a robust framework in place to protect its interests from risks arising out of market volatility. Independent Auditor's Report

To,

The Members of **REMSONS INDUSTRIES LIMITED**

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the Standalone Financial Statements of **REMSONS INDUSTRIES LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2023, and the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash flows for the year then ended, and notes to the Standalone Financial Statements, including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view, in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, and its net profit including other comprehensive loss, changes in equity and its cash flows for the year ended on that date. The Standalone Financial Statements for the year ended March 31, 2022 have been audited by another firm of Chartered Accountants. We have relied on the same for the purpose of this report.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements Section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Sr No.	Key Audit Matter	Response to Key Audit Matter
1	<p>Provision for slow moving and non moving inventories</p> <p>The company carries a sizeable portion of inventory which is a material portion of the total assets of the company. The management has the process of identifying the slow moving and non-moving inventories. This estimate has inherent uncertainty as it involves estimation/ judgment on the part of the management.</p>	<p>Our procedures included discussion with the management on the control on the data and its effectiveness. Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to identifying the slow moving and non-moving items and tested the controls pertaining to the same. • Reviewed the age-wise inventory reports and movement of inventory and production of items in which such inventories are being used. • Discussed with the operating personnel about the alternate use of such items. • Reviewed the net realizable value of such non -moving and slow-moving items. • Performed analytical procedures and test of details for reasonableness of the provisions.

Other Information

The Company's Management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the Standalone Financial Statements and our auditors' report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those charged with Governance for the Standalone Financial Statements

The Company's management and the Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, the financial performance, the changes in equity and the cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the Management and the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditors' Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of Section 143 (11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Standalone Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Standalone Financial Statements have been kept by the Company so far as it appears from our examination of those books.

Annexure A to the Auditors' Report

Referred to in paragraph 2 of 'Report on other Legal and Regulatory Requirements' in our Report of even date on the accounts of REMSONS INDUSTRIES LIMITED for the year ended March 31, 2023

- i. (a) (A) The Company is maintaining proper records showing full particulars including quantitative details and situation of Property, plant and equipment.
 - (B) The Company has maintained proper records showing full particulars of Intangible assets.
- (b) The fixed assets of the company are physically verified by the Management according to a phased programme designed to cover all the items over a period of three years, which, in our opinion, is reasonable having regard to the size of the company and the nature of its assets. Pursuant to the programme, a portion of the fixed assets has been physically verified by the management during the year and discrepancies noticed between the book records and the physical inventories were not material and have been properly dealt with in the accounts.
- (c) According to information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the lessee) disclosed in the Standalone Financial Statements are held in the name of the Company.
- (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its Property, plant and equipment (including Right-of use assets) or Intangible assets or both during the year.
- (e) According to information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 and rules made thereunder.
- ii. (a) During the year, the inventories have been physically verified by the management. In our opinion, the frequency of verification is reasonable and procedures and coverage as followed by management were appropriate. Discrepancies noticed on physical verification of inventories and the book records have been appropriately dealt with by the management and the identified discrepancies were not more than 10% in the aggregate for each class of inventory.
 - (b) According to information and explanations given to us and on the basis of our examination of the records of the Company, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets and the quarterly returns or statements filed by the company with such banks are in agreement with the books of accounts of the company.
- iii. (a) The Company has not provided loans or advances in the nature of loans, or stood guarantee or provided security to any other entity during the year. However, the company had advanced a loan to its subsidiary amounting to ₹ 356.55 lakhs.
 - (b) The terms and conditions of granting of such loan is not prejudicial to the interest of the company.
 - (c) The aforesaid loans are repayable on demand and the parties are regular in payment of interest as applicable.
 - (d) In respect of loans, there is no overdue amount outstanding for more than ninety day.
 - (e) Since the aforesaid loans are repayable on demand, sub-clause (e) of clause 3(iii) of the Order is not applicable.
 - (f) Out of the aforesaid loans, the Company had outstanding balance of ₹ 356.55 lakhs pertaining to a company covered under Section 2 clause (76) of the Companies Act 2013.
- v. The Company has complied with provisions of Section 186 of the Companies Act, 2013 in respect of investments made and loans given. Section 185 of the Companies Act, 2013 is not applicable as there were no such loans, securities or guarantees provided during the year.
- vi. The Company has not accepted any deposits from the public within the meaning of Sections 73, 74, 75 and 76 of the Act and the rules framed there under to the extent notified and therefore clause 3(v) is not applicable.
- vii. The Central Government has not prescribed maintenance of cost records for the company under sub Section (1) of Section 148 of the Companies Act, 2013. Accordingly, clause 3(vii) of the Order is not applicable.
- viii. (a) The Company is regular in depositing with appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Customs Duty, Cess, Goods & Service Tax and any other material statutory dues applicable to it and there were no arrears as at March 31, 2023 for a period of more than six months from the date they became payable.

- (b) As informed to us, there were no disputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, GST, Custom Duty, Value Added Tax, Cess and any other material statutory dues in arrears, as at March 31, 2023; except the statutory dues aggregating to ₹534.16 lakhs pending before the appropriate authorities as under-

Sr. No.	Name of the Statute	Nature of the dues	Forum where the dues is pending	₹ In Lakhs
1	Income Tax Act, 1961	Income Tax	Commissioner of Income tax (appeals) AY 20-21	45.90
2	Income Tax Act, 1961	Income Tax	Commissioner of Income tax (appeals) AY 21-22	488.26

- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in tax assessments under the Income tax Act, 1961 as income during the year.

- ix. (a) According to the records of the Company examined by us and information and explanation given to us, the company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- (b) According to the information and explanation given to us and on the basis of our examination of the records of the Company, the Company has not been declared a wilful defaulter by any bank or financial institution or government or government authority.
- (c) According to the information and explanations given to us by the management, the term loans were applied for the purpose for which the loans were obtained.
- (d) According to the information and explanation given to us and on an overall examination of the balance sheet of the Company, we report that no funds raised on short term basis have been utilized for long term purposes. Accordingly, clause 3(ix)(d) of the Order is not applicable.
- (e) According to the information and explanation given to us and on an overall examination of the Standalone Financial Statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013. Accordingly, clause 3(ix)(e) of the Order is not applicable.
- (f) According to the information and explanation given to us and procedures performed by us, we report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined

under the Companies Act, 2013. Accordingly, clause 3(ix)(f) of the Order is not applicable.

- x. (a) The Company has not raised any money by way of public issue/ further offer (including debt instruments) and through term loans during the year. Accordingly, clause 3 (x)(a) of the order is not applicable to the Company.
- (b) According to the information and explanation given to us and on the basis of our examinations of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. (a) Based upon the audit procedures performed and information and explanation given by the management, considering the principles of materiality outlined in Standards on Auditing, we report that no fraud by the Company or on the Company has been noticed or reported during the year.
- (b) According to the information and explanations given to us, no report under Section 143 (12) of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- (c) We have taken into consideration the whistle blower complaints received by the Company during the year while determining the nature, timing and extent of our audit procedures.
- xii. In our opinion and according to the information and explanations given to us, the nature of the activities of the company does not attract any special statute applicable to Nidhi Company. Accordingly, clause 3(xii) of the order is not applicable to the company.
- xiii. According to the information and explanation given to us, and based on our examination of the records of the Company, transactions with the related parties are in compliance with Sec 177 and 188 of Companies Act, 2013 where applicable and details of such transactions have been disclosed in the Standalone Financial Statements as required by the applicable accounting standards.
- xiv. (a) Based on information and explanations provided to us and our audit procedures, in our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- (b) We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, the company has not entered into any non-cash transactions with directors or persons connected with him. Accordingly, clause 3 (xv) of the Order is not applicable to the Company.

- xvi. (a) The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3 (xvi)(a) of the Order is not applicable to the Company.
- (b) The company is not required to be registered under Sec 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable to the Company.
- (c) The Company is not a Core Investment Company (CIC) as defined in the regulations is made by the Reserve Bank of India. Accordingly, clause 3 (xvi)(c) of the Order is not applicable to the Company.
- (d) According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, clause 3 (xvi)(d) of the Order is not applicable to the Company.
- xvii. The Company has not incurred cash losses in the current year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3 (xviii) of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial Statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. In our opinion and according to the information and explanations given to us, there is no unspent amount under section 135 (5) of the Companies Act, 2013 pursuant to any project. Accordingly, clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable.

Annexure B to the Auditors' Report

(Referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section of our report of even date)

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **REMSONS INDUSTRIES LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Financial Statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections

of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2023, based on the internal control over financial reporting criteria established

by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Notes to the Standalone Financial Statements for the year ended March 31, 2023

1 Corporate Information

Remsons Industries Limited ('the company') is a listed public limited company incorporated in India. The registered office is located at 401, 4th floor, Hanuman Road, Vile Parle (East), Mumbai - 400 057, Maharashtra, India. The Company is manufacturing automotive control cables, flexible shafts, push pull cables and gear shifter assembly. The Company has six manufacturing plants located in India.

2 Summary of significant accounting policies

2.1. Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Company's normal operating cycle.

The financial statements were authorized for issue by the Company's Board of Directors on 26th May 2023.

These financial statements are presented in Indian Rupees (INR), which is also the functional currency. All the amounts have been rounded off to the nearest lacs, unless otherwise indicated.

2.2. Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

2.3. Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other

criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

2.4. Foreign Exchange Transactions

i. Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which the Company operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Company's functional and presentation currency

ii. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

2.5. Property Plant and Equipment

An item of PPE is recognized as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Company and its cost can be measured reliably. PPE are initially recognized at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Company recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognized from the balance sheet and cost of the new item of PPE is recognized. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred

Notes to the Standalone Financial Statements for the year ended March 31, 2023

Depreciation has been charged to statement of profit & loss on Straight Line Method on Buildings, Plants and Machineries, Electric Installations and Dies & Mould, where as other assets on Written Down Value method determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013. Accordingly, the Company has used the following rates:-

Name of Assets	Useful Life (in Years)
Building	
- Factory Building	30
- Other Building	60
- Fences,Wells,Tube wells	5
Plant & Machinery	15
Spares of Plant & Machinery	5
Moulds and Dies	15
Electrical Installations and Equipment's	10
Office equipment's	5
Furniture & Fittings	10
Servers and networks	6
Data processing machine and computer, laptops	3
Vehicle	8

2.6 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties (except freehold land) are depreciated using the straight-line method over their estimated useful lives at the rates prescribed under Schedule II of the Companies Act, 2013.

2.7. Intangible assets

- i. An intangible asset shall be recognised if, and only if:
 - (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Company and
 - (b) the cost of the asset can be measured reliably.
- ii. Cost of technical know-how is amortised over a period of life of contract.
- iii. Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation costs include license fees and costs of implementation /

system integration services. The costs are capitalised in the year in which the relevant software is implemented for use. The softwares are amortised over a period of 3 to 8 years based on the life it is expected to provide future enduring benefits on straight-line method.

2.8 Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.9 Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

i. Current Tax

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Company operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Company intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

ii. Deferred Tax

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Notes to the Standalone Financial Statements for the year ended March 31, 2023

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Company has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

iii. Dividend distribution tax

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

2.10 Revenue

a) Revenue from operation

The Company derives revenues primarily from sale of manufactured goods, traded goods and related services.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products or services to customers in an amount that reflects the consideration the Company expects to receive in exchange for those products or services.

The Company does not expect to have any contracts where the period between the transfer of the promised

goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Company satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Company's performance as the Group performs; or
2. The Company's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Company's performance does not create an asset with an alternative use to the Company and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied.

(b) Other Income:

- i. Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.
- ii. Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy. Premium of sale of import licenses is recognised on an accrual basis.
- iii. Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

2.11 Inventory

Raw materials, Packing materials, Stores and Spare parts are valued at Lower of cost (cost includes direct cost & attributable overheads) or net realizable value. The Company follows Weighted Average Cost method for valuation of Raw materials, Packing materials, Stores and Spare parts. However, materials and other items held for use in the production of

Notes to the Standalone Financial Statements for the year ended March 31, 2023

inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Semi-finished & Finished goods are valued at lower of estimated cost or net realizable value. Scrap is valued at net realizable value.

The company was valuing its Raw materials, Packing materials, Stores and Spare parts on first-in-first-out basis, during the year the company implemented SAP Accounting software and started valuing such inventories on Weighted Average Cost basis. The impact of such change is not material.

2.12 Segment Reporting

Primary Segment is identified based on the nature of products and services, the different risks and returns and the internal business reporting system. Secondary segment is identified based on geographical area in which major operating divisions of the Company operate.

2.13 Impairment Of Assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.14 Fair Value Measurement

The Company measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability,

assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets

Level 2: Significant inputs to the fair value measurement are directly or indirectly observable

Level 3: Significant inputs to the fair value measurement are unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above

2.15 Financial Instrument

2.15.1 Recognition, classification and presentation

The financial instruments are recognised in the balance sheet when the company becomes a party to the contractual provisions of the instrument.

The Company determines the classification of its financial instruments at initial recognition.

The Company classifies its financial assets in the following categories: a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and b) those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Notes to the Standalone Financial Statements for the year ended March 31, 2023

Financial assets and liabilities arising from different transactions are off-set against each other and the resultant net amount is presented in the balance sheet, if and only when, the Company currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.15.2 Measurement

I. Initial measurement

At initial recognition, the Company measures financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent measurement - financial assets

The subsequent measurement of the financial assets depends on their classification as follows:

i. Financial assets measured at amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial assets at fair value through other comprehensive income ('FVTOCI')

Equity investments which are not held for trading and for which the Company has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the

statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

iii. Financial assets at fair value through profit or loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the company applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

III. Subsequent measurement - financial liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

2.15.3 De-recognition

The financial liabilities are de-recognised from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Company has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Notes to the Standalone Financial Statements for the year ended March 31, 2023

2.16 Cash and cash Equivalents

Cash and cash equivalents includes cash in hand, deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of company's cash management policy.

2.17 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.18 Investment

Investment which are of equity in nature is carried at Fair Value and gain/loss on fair valuation are recognised through Other Comprehensive Income.

2.19 Trade Receivable

Trade receivables are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for expected credit loss.

2.20 Trade and Other payable

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

2.21 Provision, Contingent Liability and Contingent Assets

i. Provision

A provision is recognized, when company has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the

provision due to the passage of time is recognised as a finance cost.

ii. Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, are disclosed in the notes to financial statements.

iii. Contingent Assets

Contingent Assets are disclosed, where an inflow of economic benefits is probable.

2.22 Earnings Per Share

i. Basic earnings per share

Basic earnings per share is calculated by dividing

- i. the profit attributable to owners of the Company; and
- ii. by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.
- ii. Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.23 Leases

i. As a lessee

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment.

Notes to the Standalone Financial Statements for the year ended March 31, 2023

The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Company revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

ii. As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.24 Employee benefits

i. Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments

and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii. Post-employment obligations

a. Defined benefit gratuity plan:

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The Company has opted for a Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India (LIC), and the contribution is charged to the Statement of Profit & Loss each year.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

b. Defined Contribution plan:

Contribution payable to recognised provident fund which is defined contribution scheme is charged to Statement of Profit & Loss. The company has no further obligation to the plan beyond its contribution.

iv. Other long-term employee benefits

The employees of the Company are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises

Notes to the Standalone Financial Statements for the year ended March 31, 2023

of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Company provides for the liability towards the said benefit on the basis of actuarial valuation carried out quarterly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

2.25 Operating Cycle

Based on the nature of products/activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.26 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16 – Property Plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its consolidated financial statements.

Ind AS 37 – Provisions, Contingent Liabilities and Contingent Assets – The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material."

2.27 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees in Lacs (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).

54 Fair Value Measurement (Contd..)

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ in Lakhs)

Financial assets and liabilities measured at fair value At March 31, 2023	Level 1	Level 2	Level 3	Total
Financial assets				
Financial Investments at FVPL				
Mutual Funds	-	-	-	-
Financial Investments at FVOCI				
Equity Instruments	-	-	-	-
Total financial assets	-	-	-	-

(₹ in Lakhs)

Financial assets				
Financial Investments at FVPL				
Mutual Funds	50.84	-	-	50.84
Financial Investments at FVOCI				
Equity Instruments	-	-	-	-
Total financial assets	50.84	-	-	50.84

There are no transfers between levels 1 and 2 during the year.

Reconciliation of Level 3 fair value measurement is as follows:

(₹ in Lakhs)

Particulars	Amount (Lacs)
Balance as on 31st March, 2021	2.72
Change In Value	(2.72)
Balance as on 31st March, 2022	-
Change In Value	-
Balance as on 31st March, 2023	-

The fair values of current debtors, cash & bank balances, loan to related party, security deposit to government department, current creditors and current borrowings and other financial liability are assumed to approximate their carrying amounts due to the short-term maturities of these assets and liabilities.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

* the use of quoted market prices or dealer quotes for similar instruments

All of the resulting fair value estimates are included in level 3 except for unlisted equity securities, contingent consideration and indemnification asset, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

iii) Valuation processes

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

Independent Auditor’s Report

To,
The Members of **REMSONS INDUSTRIES LIMITED**

Report on Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of **REMSONS INDUSTRIES LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary company(the Holding Company and its subsidiaries together referred to as “the Group”) listed in Annexure A, which comprise of the Consolidated Balance Sheet as at March 31, 2023 and the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity and the Consolidated Cash Flow Statement for the year then ended, and notes to the Consolidated Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as “the Consolidated Financial Statements”).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (“the Act”) in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their Consolidated state of affairs of the Group as at March 31, 2023, of Consolidated Profit (including other comprehensive loss), Consolidated Statement of Changes

in Equity and its Consolidated Cash Flows for the year then ended. The Consolidated Financial Statements for the year ended March 31, 2022 have been audited by another firm of Chartered Accountants. We have relied on the same for the purpose of this report.

Basis of Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor’s Responsibilities for the Audit of the Consolidated Financial Statements Section of our report. We are independent of the Group in accordance with the Code of Ethics issued by The Institute of Chartered Accountant of India (ICAI), and we have fulfilled our other ethical responsibilities in accordance with the provisions of the Act. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters:

Sr No.	Key Audit Matter	Response to Key Audit Matter
1	<p>Provision for slow moving and non moving inventories</p> <p>The Holding Company carries a sizeable portion of inventory which is a material portion of the total assets of the company. The management has the process of identifying the slow moving and non-moving inventories. This estimate has inherent uncertainty as it involves estimation/ judgment on the part of the management.</p>	<p>Principal Audit Procedures</p> <p>Our procedures included discussion with the management on the control on the data and its effectiveness. Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to identifying the slow moving and non-moving items and tested the controls pertaining to the same. • Reviewed the age-wise inventory reports and movement of inventory and production of items in which such inventories are being used. • Discussed with the operating personnel about the alternate use of such items. • Reviewed the net realizable value of such non -moving and slow-moving items. • Performed analytical procedures and test of details for reasonableness of the provisions.

Other Information

The Holding Company's Management and the Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's Annual Report but does not include the financial statements and our Auditors' Report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these Consolidated Financial Statements in term of the requirements of the Act that give a true and fair view of the consolidated financial position, the consolidated financial performance, the consolidated changes in equity and the consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are responsible for overseeing the financial reporting process of the each entity.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of such entities or business activities

within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entity included in the consolidated financial statements of which we are the independent auditors.

We communicate with those charged with governance of the Holding Company and such other entity included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

1. We did not audit the Financial Statements of three Subsidiaries (including two step down subsidiaries), whose Financial Statements reflect unconsolidated total assets of ₹8419.90 lakhs as at March 31, 2023, unconsolidated total revenue of ₹ 6,332.29 lakhs, unconsolidated net profit of ₹ 3.18 lakhs, unconsolidated total Comprehensive Income of ₹ 3.34 lakhs and unconsolidated net cash inflows of ₹636.26 lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. This Financial Statements and other financial information have been audited by other auditor whose report has been furnished to us by the management, and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary, and our report in terms of sub-Sections (3) and (11) of Section 143 of the Act, in so far as it relates to aforesaid subsidiary, is based solely on the report of the such other auditor.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditor.

Report on other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid Consolidated Financial Statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Holding Company, its subsidiary included in the group, so far as appears from our examination of those books.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Expense), and the Consolidated Cash Flow Statement and the Consolidated statement of changes in equity dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company and a Subsidiary Company incorporated in India as on March 31, 2023 and taken on record by the Board of Directors of the Holding Company, we report that none of the directors of the Group is disqualified as on March 31, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiary Company incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g) With respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Financial Statements (Refer Note. 29(a) to the Ind As Consolidated Financial Statements)
 - ii. The Group did not have any material foreseeable losses on long-term contracts including derivatives contracts.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company.

- iv. a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other persons or entities, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall:
- directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Company or
 - provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.
- b. The management has represented, that, to the best of its knowledge and belief, no funds have been received by the Group from any persons or entities, including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall:
- directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever ("Ultimate Beneficiaries") by or on behalf of the Funding Party or
 - provide any guarantee, security or the like from or on behalf of the Ultimate Beneficiaries; and
- c. Based on such audit procedures as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under subclause (d) (i) and (d) (ii) contain any material mis-statement.
- V. The dividend declared or paid during the year by the Company is in compliance with Section 123 of the Act.

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of **REMSONS INDUSTRIES LIMITED** ("the Holding Company") as of and for the year ended March 31, 2023, we have audited the internal financial controls over financial reporting of the Holding Company and its subsidiary Company which is a Company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of Holding Company and its subsidiary Company incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company and considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Holding Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary Company incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls both

issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company and its subsidiary Company incorporated in India and internal financial control system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Financial Statements for external purposes in accordance with generally accepted accounting principles. A Holding Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Financial Statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary Company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting

and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on the internal control over financial reporting criteria established by the Holding Company and its subsidiary Company incorporated in India considering the essential components of internal control stated in the Guidance Note.

Notes to the Financial Statements for the year ended March 31, 2023

1 Corporate Information

Remsons Industries Limited ('the group') is a listed public limited company incorporated in India. The registered office is located at 401, 4th floor, Hanuman Road, Vile Parle (East), Mumbai - 400 057, Maharashtra, India. The Group is manufacturing automotive control cables, flexible shafts, push pull cables and gear shifter assembly. The Group has six manufacturing plants located in India and one plant located outside India.

2 Summary of significant accounting policies

2.1. Basis of preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to Section 133 of the Companies Act, 2013 ('Act') read with of the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act.

These financial statements have been prepared on historical cost basis, except for certain financial instruments which are measured at fair value or amortised cost at the end of each reporting period, as explained in the accounting policies below. Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. All assets and liabilities have been classified as current and non-current as per the Group's normal operating cycle.

The financial statements were authorized for issue by the Group's Board of Directors on 26th May, 2023.

These financial statements are presented in Indian Rupees (INR), which is also the functional currency. All the amounts have been rounded off to the nearest lacs, unless otherwise indicated.

2.2. Basis of Consolidation

i) Subsidiaries

These consolidated financial statements include the financial statements of Remsons Industries Limited and its subsidiaries. The subsidiaries considered in the consolidated financial statements as at March 31, 2023 are summarized below:

Name of the Subsidiaries	Country of incorporation	2022-23
Remsons Holdings Ltd.	United Kingdom	100%
Remsons Automotive Ltd. (step down subsidiary)	United Kingdom	100%
Remsons Properties Ltd. (step down subsidiary)	United Kingdom	100%

Basis of Consolidation

The financial statements of the Parent Group and its subsidiaries have been combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses after eliminating intra-Group balances / transactions and resulting unrealized profits in full. The amounts shown in respect of accumulated reserves comprises the amount of the relevant reserves as per the balance sheet of the Parent Group and its share in the post acquisition increase / decrease in the relevant reserves / accumulated deficit of its subsidiaries.

The Parent Group maintain their records and prepare their financial statements under the Historical Cost Convention except certain financial assets and liabilities (including derivative instruments) which is measured at fair value or amortised cost, in accordance with generally accepted accounting principals in India while the foreign subsidiaries maintain their records and prepare their financial statements in conformity with GAAP prevalent in their respective countries of domicile.

Consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances except in case of charge of depreciation on fixed assets and other insignificant items for which the accounting treatment is given on the basis of local laws applicable in the respective country, for which using uniform accounting policies for the purpose of consolidation is impracticable.

2.3. Use of estimates and judgments

The preparation of financial statements requires management to make judgments, estimates and assumptions in the application of accounting policies that affect the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates. Continuous evaluation is done on the estimation and judgments based on historical experience and other factors, including expectations of future events that are believed to be reasonable. Revisions to accounting estimates are recognised prospectively.

2.4. Current versus non-current classification

All assets and liabilities have been classified as current or non-current as per the Group's operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents, the Group has ascertained its operating cycle as 12 months for the purpose of current - non-current classification of assets and liabilities.

2.5. Foreign Exchange Transactions

i. Functional and presentation currency

Items included in the financial statements of the Group are measured using the currency of the primary economic

Notes to the Financial Statements for the year ended March 31, 2023

environment in which the Group operates ('the functional currency'). The financial statements are presented in Indian rupee (INR), which is Group's functional and presentation currency

ii. Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss. All the foreign exchange gains and losses are presented in the statement of Profit and Loss on a net basis within other expenses or other income as applicable.

The consolidated financial statements are reported in Indian rupees. The translation of the local currency of each foreign subsidiary within the Group into Indian rupees is performed in respect of assets and liabilities including fixed assets using the exchange rate in effect at the balance sheet date and for revenue and expense items, using a monthly simple average exchange rate for the period. Net exchange difference resulting from the above translation of financial statements of foreign subsidiaries is recognised in Foreign Exchange Fluctuation Reserve. Exchange Difference arising on investment in subsidiaries is recognised in Foreign Exchange Fluctuation Reserve.

2.6. Property Plant and Equipment

An item of PPE is recognized as an asset, if and only if, it is probable that the future economic benefits associated with the item will flow to the Group and its cost can be measured reliably. PPE are initially recognized at cost. The initial cost of PPE comprises its purchase price (including non-refundable duties and taxes but excluding any trade discounts and rebates), and any directly attributable cost of bringing the asset to its working condition and location for its intended use.

Subsequent to initial recognition, PPE are stated at cost less accumulated depreciation and any impairment losses. When significant parts of property, plant and equipment are required to be replaced in regular intervals, the Group recognizes such parts as separate component of assets. When an item of PPE is replaced, then its carrying amount is de-recognized from the balance sheet and cost of the new item of PPE is recognized. Further, in case the replaced part was not being depreciated separately, the cost of the replacement is used as an indication to determine the cost of the replaced part at the time it was acquired.

The expenditures that are incurred after the item of PPE has been put to use, such as repairs and maintenance, are normally charged to the statement of profit and loss in the period in which such costs are incurred

Depreciation has been charged to statement of profit & loss on Straight Line Method on Buildings, Plants and Machineries, Electric Installations and Dies & Mould, where as other assets on Written Down Value method determined based on the economic useful lives of assets estimated by the management; or at the rates prescribed under Schedule II of the Companies Act, 2013. Accordingly, the Group has used the following rates:-

Name of Assets	Useful Life (in Years)
Building	
- Factory Building	30
- Other Building	60
- Fences,Wells,Tube wells	5
Plant & Machinery	15
Spares of Plant & Machinery	5
Moulds and Dies	15
Electrical Installations and Equipment's	10
Office equipment's	5
Furniture & Fittings	10
Servers and networks	6
Data processing machine and computer, laptops	3
Vehicle	8

2.7 Investment Property

Property that is held for long-term rental yields or for capital appreciation or both, and that is not occupied by the Company, is classified as Investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties (except freehold land) are depreciated using the straight-line method over their estimated useful lives at the rates prescribed under Schedule II of the Companies Act, 2013.

2.8. Intangible assets

- i. An intangible asset shall be recognised if, and only if:
 - (a) it is probable that the expected future economic benefits that are attributable to the asset will flow to the Group and
 - (b) the cost of the asset can be measured reliably.
- ii. Cost of technical know-how is amortised over a period of life of contract.
- iii. Computer software is capitalised where it is expected to provide future enduring economic benefits. Capitalisation

Notes to the Financial Statements for the year ended March 31, 2023

costs include license fees and costs of implementation / system integration services. The costs are capitalised in the year in which the relevant software is implemented for use. The softwares are amortised over a period of 3 to 8 years based on the life it is expected to provide future enduring benefits on straight-line method.

2.9 Borrowing Cost

Borrowing costs specifically relating to the acquisition or construction of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the asset. All other borrowing costs are charged to statement of profit & loss in the period in which it is incurred except loan processing fees which is recognized as per Effective Interest Rate method.

Borrowing costs consist of interest and other costs that group incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

2.10. Tax Expenses

Income Tax expense comprises of current tax and deferred tax charge or credit. Provision for current tax is made with reference to taxable income computed for the financial year for which the financial statements are prepared by applying the tax rates as applicable.

i. Current Tax

Current tax charge is based on taxable profit for the year. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date where the Group operates and generates taxable income. Management periodically evaluates positions taken in tax returns with respect to situations in which applicable tax regulation is subject to interpretation. It establishes provisions where appropriate on the basis of amounts expected to be paid to the tax authorities.

Current tax assets and tax liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and Group intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Current income taxes payable by overseas subsidiaries is computed in accordance with tax laws applicable in the jurisdiction in which the respective subsidiaries operates.

ii. Deferred Tax

Deferred tax is provided using the liability method on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements at the reporting date. Deferred tax assets are recognised to the extent that it is probable that

future taxable income will be available against which the deductible temporary differences, unused tax losses, depreciation carry-forwards and unused tax credits could be utilised.

Deferred income tax is not accounted for if it arises from initial recognition of an asset or liability in a transaction other than a business combination that at the time of the transaction affects neither accounting profit nor taxable profit (tax loss).

Deferred tax assets and liabilities are measured based on the tax rates that are expected to apply in the period when the asset is realised or the liability is settled, based on tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

The carrying amount of deferred tax assets is reviewed at each reporting date and adjusted to reflect changes in probability that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Deferred income tax assets and liabilities are off-set against each other and the resultant net amount is presented in the Balance Sheet, if and only when, (a) the Group has a legally enforceable right to set-off the current income tax assets and liabilities, and (b) the deferred income tax assets and liabilities relate to income tax levied by the same taxation authority.

Minimum Alternate Tax credit is recognised as an asset only when and to the extent there is convincing evidence that the group will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Group will pay normal income tax during the specified period.

iii. Dividend distribution tax

Dividend distribution tax paid on the dividends is recognised consistently with the presentation of the transaction that creates the income tax consequence. Dividend distribution tax is charged to statement of profit and loss if the dividend itself is charged to statement of profit and loss. If the dividend is recognised in equity, the presentation of dividend distribution tax is recognised in equity.

2.11 Revenue

a) Revenue from operation

The Group derives revenues primarily from sale of manufactured goods, traded goods and related services.

Revenue is recognized on satisfaction of performance obligation upon transfer of control of promised products

Notes to the Financial Statements for the year ended March 31, 2023

or services to customers in an amount that reflects the consideration the Group expects to receive in exchange for those products or services.

The Group does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction prices for the time value of money.

The Group satisfies a performance obligation and recognises revenue over time, if one of the following criteria is met:

1. The customer simultaneously receives and consumes the benefits provided by the Group's performance as the Group performs; or
2. The Group's performance creates or enhances an asset that the customer controls as the asset is created or enhanced; or
3. The Group's performance does not create an asset with an alternative use to the Group and an entity has an enforceable right to payment for performance completed to date.

For performance obligations where one of the above conditions are not met, revenue is recognised at the point in time at which the performance obligation is satisfied."

(b) Other Income:

- i. Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the group, and the amount of the dividend can be measured reliably.
- ii. Export incentives are accounted for on export of goods if the entitlements can be estimated with reasonable accuracy. Premium of sale of import licenses is recognised on an accrual basis.
- iii. Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

2.12 Inventory

Raw materials, Packing materials, Stores and Spare parts are valued at Lower of cost (cost includes direct cost & attributable overheads) or net realizable value. The Group

follows Weighted Average Cost method for valuation of Raw materials, Packing materials, Stores and Spare parts. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Semi-finished & Finished goods are valued at lower of estimated cost or net realizable value. Scrap is valued at net realizable value.

The group values its Raw materials, Packing materials, Stores and Spare parts on Weighted Average Cost basis."

2.13 Segment Reporting

Primary Segment is identified based on the nature of products and services, the different risks and returns and the internal business reporting system. Secondary segment is identified based on geographical area in which major operating divisions of the Group operate.

2.14 Impairment Of Assets

Intangible assets that have an indefinite useful life are not subject to amortization and are tested annually for impairment or more frequently if events or changes in circumstances indicate that they might be impaired. Other assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

2.15 Fair Value Measurement

The Group measures certain financial instruments at fair value at each balance sheet date. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

Notes to the Financial Statements for the year ended March 31, 2023

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1: Quoted (unadjusted) prices for identical assets or liabilities in active markets

Level 2: Significant inputs to the fair value measurement are directly or indirectly observable

Level 3: Significant inputs to the fair value measurement are unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets & liabilities on the basis of the nature, characteristics and the risks of the asset or liability and the level of the fair value hierarchy as explained above

2.16 Financial Instrument

2.16.1 Recognition, classification and presentation

The financial instruments are recognised in the balance sheet when the group becomes a party to the contractual provisions of the instrument.

The Group determines the classification of its financial instruments at initial recognition.

The Group classifies its financial assets in the following categories: a) those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and b) those to be measured at amortized cost. The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

Financial assets and liabilities arising from different transactions are off-set against each other and the

resultant net amount is presented in the balance sheet, if and only when, the Group currently has a legally enforceable right to set-off the related recognised amounts and intends either to settle on a net basis or to realize the assets and settle the liabilities simultaneously.

2.16.2 Measurement

I. Initial measurement

At initial recognition, the Group measures financial instruments at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs. Otherwise transaction costs are expensed in the statement of profit and loss.

II. Subsequent measurement - financial assets

The subsequent measurement of the financial assets depends on their classification as follows:

i. Financial assets measured at amortized cost

Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost using the effective interest rate ('EIR') method (if the impact of discounting / any transaction costs is significant). Interest income from these financial assets is included in finance income.

ii. Financial assets at fair value through other comprehensive income ('FVTOCI')

Equity investments which are not held for trading and for which the Group has elected to present the change in the fair value in other comprehensive income and debt instruments that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flow represent solely payment of principal and interest, are measured at FVTOCI.

The changes in fair value are taken through OCI, except for the impairment, interest (basis EIR method), dividend and foreign exchange differences which are recognised in the statement of profit and loss.

When the financial asset is derecognized, the related accumulated fair value adjustments in OCI as at the date of derecognition are reclassified from equity and recognised in the statement of profit and loss. However, there is no subsequent reclassification of fair value gains and losses to statement of profit and loss in case of equity instruments.

Notes to the Financial Statements for the year ended March 31, 2023

iii. Financial assets at fair value through profit or loss ('FVTPL')

All equity instruments and financial assets that do not meet the criteria for amortized cost or FVTOCI are measured at fair value through profit or loss. Interest (basis EIR method) and dividend income from FVTPL is recognised in the statement of profit and loss within finance income / finance costs separately from the other gains/losses arising from changes in the fair value.

Impairment

The group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortized cost and debt instrument carried at FVTOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk since initial recognition. If credit risk has not increased significantly, twelve month ECL is used to provide for impairment loss, otherwise lifetime ECL is used.

However, only in case of trade receivables, the group applies the simplified approach which requires expected lifetime losses to be recognized from initial recognition of the receivables.

III. Subsequent measurement - financial liabilities

Other financial liabilities are initially recognised at fair value less any directly attributable transaction costs. They are subsequently measured at amortized cost using the EIR method (if the impact of discounting / any transaction costs is significant).

2.16.3 De-recognition

The financial liabilities are de-recognised from the balance sheet when the under-lying obligations are extinguished, discharged, lapsed, cancelled, expires or legally released. The financial assets are de-recognised from the balance sheet when the rights to receive cash flows from the financial assets have expired, or have been transferred and the Group has transferred substantially all risks and rewards of ownership. A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

2.17 Cash and cash Equivalents

Cash and cash equivalents includes cash in hand, deposits with banks, other short term highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes outstanding bank overdraft shown within current liabilities in statement of financial balance sheet and which are considered as integral part of group's cash management policy.

2.18 Cash Flow Statement

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Group are segregated.

2.19 Investment

Investment which are of equity in nature is carried at Fair Value and gain/loss on fair valuation are recognised through Other Comprehensive Income.

2.20 Trade Receivable

Trade receivables are recognized initially at their fair value and subsequently measured at amortised cost using the effective interest method, less provision for expected credit loss.

2.21 Trade and Other payable

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. Trade and other payables are recognised, initially at fair value, and subsequently measured at amortised cost using effective interest rate method.

2.22 Provision, Contingent Liability and Contingent Assets

i. Provision

A provision is recognized, when group has a present obligation (legal or constructive) as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, in respect of which a reliable estimate can be made for the amount of obligation. The expense relating to the provision is presented in the profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

ii. Contingent Liability

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed

Notes to the Financial Statements for the year ended March 31, 2023

by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent liabilities, if material, are disclosed by way of notes and contingent assets, if any, are disclosed in the notes to financial statements.

iii. Contingent Assets

Contingent Assets are disclosed, where an inflow of economic benefits is probable.

2.23 Earnings Per Share

i. Basic earnings per share

Basic earnings per share is calculated by dividing

- i. the profit attributable to owners of the Group; and
- ii. by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year.
- ii. Diluted earnings per share

Diluted earnings per share adjust the figures used in the determination of basic earnings per share to take into account:

- the after income tax effect of interest and other financing costs associated with dilutive potential equity shares; and
- the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.24 Business Combination

The Group accounts for its business combinations under acquisition method of accounting. Acquisition related costs are recognised in the consolidated statement of profit and loss as incurred. The acquiree's identifiable assets, liabilities and contingent liabilities that meet the condition for recognition are recognised at their fair values at the acquisition date.

Purchase consideration paid in excess of fair value of net assets acquired is recognised as goodwill. Where the fair value of identifiable assets and liabilities exceed the cost of acquisition, after reassessing the fair value of identifiable assets and liabilities, the excess is recognised as capital reserve.

The interest of non-controlling shareholders is initially measured either at fair value or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of non-controlling interest is the amount of non-controlling interests is the amount of those interests at initial recognition plus the non-controlling interests' share of subsequent changes in equity of subsidiaries.

Business combinations arising from transfers of interests in entities that are under common control are accounted at historical cost. The difference between any consideration given and the aggregate historical carrying amounts of assets and liabilities of the acquired entity is recorded in shareholder's equity.

2.25 Leases

i. As a lessee

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

ii. As a lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflationary cost increases. The respective leased assets are included in the balance sheet based on their nature.

2.26 Employee benefits

i. Short-term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12

Notes to the Financial Statements

for the year ended March 31, 2023

months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

ii. Other long-term employee benefit obligations

The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the appropriate market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

iii. Post-employment obligations

a. Defined benefit gratuity plan:

The Group provides for the liability towards the said benefit on the basis of actuarial valuation carried out as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The Group has opted for a Group Gratuity-cum-Life Assurance Scheme of the Life Insurance Corporation of India (LIC), and the contribution is charged to the Statement of Profit & Loss each year.

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan. The defined benefit obligation is calculated annually as provided by LIC. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation. The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of

profit and loss. Re-measurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

b. Defined Contribution plan:

Contribution payable to recognised provident fund which is defined contribution scheme is charged to Statement of Profit & Loss. The group has no further obligation to the plan beyond its contribution.

iv. Other long-term employee benefits

The employees of the Group are entitled to compensated absences as well as other long-term benefits. Compensated absences benefit comprises of encashment and availment of leave balances that were earned by the employees over the period of past employment.

The Group provides for the liability towards the said benefit on the basis of actuarial valuation carried out quarterly as at the reporting date, by an independent qualified actuary using the projected-unit-credit method. The related re-measurements are recognized in the statement of profit and loss in the period in which they arise.

Foreign subsidiaries maintain a defined contribution retirement plan, which covers substantially all the employees of the foreign subsidiaries and qualifies as a deferred salary arrangement under laws of respective countries. The Group matches employees' contributions at the discretion of the Group.

2.27 Operating Cycle

Based on the nature of products/activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

2.28 Recent Indian Accounting Standards (Ind AS)

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. On March 23, 2022, MCA amended the Companies (Indian Accounting Standards) Amendment Rules, 2022, as below.

Ind AS 16 – Property Plant and equipment – The amendment clarifies that excess of net sale proceeds of items produced

Notes to the Financial Statements for the year ended March 31, 2023

over the cost of testing, if any, shall not be recognised in the profit or loss but deducted from the directly attributable costs considered as part of cost of an item of property, plant, and equipment. The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022. The Company has evaluated the amendment and there is no impact on its consolidated financial statements.

Ind AS 37 - Provisions, Contingent Liabilities and Contingent Assets - The amendment specifies that the 'cost of fulfilling' a contract comprises the 'costs that relate directly to the contract'. Costs that relate directly to a contract can either be incremental costs of fulfilling that contract (examples would be direct labour, materials) or an allocation of other costs

that relate directly to fulfilling contracts (an example would be the allocation of the depreciation charge for an item of property, plant and equipment used in fulfilling the contract). The effective date for adoption of this amendment is annual periods beginning on or after April 1, 2022, although early adoption is permitted. The Company has evaluated the amendment and the impact is not expected to be material."

2.29 Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest Rupees in Lacs (upto two decimals), unless otherwise stated as per the requirement of Schedule III (Division II).

52 Fair Value Measurement (Contd..)

i) Fair value hierarchy

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements.

To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

(₹ in Lakhs)

Financial assets and liabilities measured at fair value At March 31, 2023	Level 1	Level 2	Level 3	Total
Financial assets				
Financial Investments at FVPL				
Mutual Funds	-	-	-	-
Financial Investments at FVOCI				
Equity Instruments	-	-	-	-
Total financial assets	-	-	-	-

(₹ in Lakhs)

Financial assets and liabilities measured at fair value At March 31, 2022	Level 1	Level 2	Level 3	Total
Financial assets				
Financial Investments at FVPL				
Mutual Funds	50.84	-	-	50.84
Financial Investments at FVOCI				
Equity Instruments	-	-	-	-
Total financial assets	50.84	-	-	50.84

There are no transfers between levels 1 and 2 during the year.

Reconciliation of Level 3 fair value measurement is as follows:

(₹ in Lakhs)

Particulars	Amount (Lacs)
Balance as on 31st March, 2021	2.72
Change In Value	(2.72)
Balance as on 31st March, 2022	-
Change In Value	-
Balance as on 31st March, 2023	-

The fair values of current debtors, cash & bank balances, loan to related party, security deposit to government department, current creditors and current borrowings and other financial liability are assumed to approximate their carrying amounts due to the short-term maturities of these assets and liabilities.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

* the use of quoted market prices or dealer quotes for similar instruments

All of the resulting fair value estimates are included in level 3 except for unlisted equity securities, contingent consideration and indemnification asset, where the fair values have been determined based on present values and the discount rates used were adjusted for counterparty or own credit risk.

iii) Valuation processes

The carrying amounts of trade receivables, trade payables, capital creditors and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature.

For financial assets and liabilities that are measured at fair value, the carrying amounts are equal to the fair values.

II Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. Credit risk encompasses the direct risk of default, risk of deterioration of creditworthiness as well as concentration risks. The Group is exposed to credit risk from its operating activities (primarily trade receivables).

Credit Risk Management

The group's credit risk mainly from trade receivables as these are typically unsecured. This credit risk has always been managed through credit approvals, establishing credit limits and continuous monitoring the creditworthiness of customers to whom credit is extended in the normal course of business. The Group estimates the expected credit loss based on past data, available information on public domain and experience. Expected credit losses of financial assets receivable are estimated based on historical data of the Group. The group has provisioning policy for expected credit losses.

The maximum exposure to credit risk as at 31st March 2023 is the carrying value of such trade receivables as shown in note 14 of the financial statements.

III Liquidity Risk

Liquidity risk represents the inability of the Group to meet its financial obligations within stipulated time. To mitigate this risk, the Group maintains sufficient liquidity by way of working capital limits from banks
