Quote from Management

Commenting on the Results, **Mr. Krishna Kejriwal**, Managing Director said, "I am pleased to announce that Remsons Industries has commenced FY25 with a strong performance. Remsons 1QFY25 growth was in line with expectations our revenue grew 5% YoY, reaching Rs 765Mn. EBITDA for the quarter stood at INR 65Mn while achieving margin of 8.5% in 1QFY25. In the current quarter Net profit increased significantly 36% YoY to INR 27Mn, solidifying our strong financial performance. We are very much on track to achieve target of INR 9,000 - INR 10,000mn by FY28. Our outstanding achievement is attributed to strategic initiatives like higher value products, operational efficiency improvements, and robust export realizations. Looking ahead, we're confident in our future-ready position thanks to the revolutionary changes brought about by digital transformation and our solid intent to move up the value chain.

Our positive outlook is fuelled by the belief that our growth trajectory will see significant enhancement through strategic partnerships, including synergistic joint ventures, acquisitions, and collaborations. As always, we remain dedicated to shareholder value creation with unwavering passion and commitment. In the coming quarter and beyond, we'll focus on strengthening our business model by climbing the value chain, ensuring continued success."
