Quote from Management

"I am pleased to share that Remsons Industries has delivered one of its best-ever quarterly performances in 3Q and 9M FY25. In 3Q FY25, we achieved our highest-ever revenue, growing 25% YoY to ₹1,026 million. EBITDA for the quarter stood at ₹124 million, with a healthy 12% margin. Notably, our net profit surged 17% YoY to ₹40 million, further strengthening our financial position. We remain firmly on track to achieve our revenue target of ₹9,000-₹10,000 million by FY29.

This outstanding performance is the result of our strategic focus on high-value products, operational efficiency improvements, and strong export realizations. Looking ahead, we are confident in our ability to sustain this momentum and position the company for long-term success.

As always, we remain committed to delivering exceptional value to our shareholders with passion and dedication. In the coming quarters, our focus will continue to be on strengthening our business model, moving up the value chain, and driving sustained growth. We plan to broaden our product portfolio and further diversify into the Railways sector."
